There's a monster lurking outside of Minersville, and he's tired of hiding. Everyone thinks Viv's crazy. Delusional. That she didn't see what she saw. Everyone, that is, except the locals. Vivian copes the best way she can—with a visit to the local watering hole—but it's what happens after that changes everything. The Mismatch Man is hungry, you see...and Vivian's many wounds have never healed.

Lisa Naffziger

**Who's brave enough to make friends with a monster? Discover the hidden world of America's mythical creatures with Deja!**

Deja Ross is a seventh-grade cryptozoologist. That means she *loves* monsters... and hopes to someday prove they're real!

On a long family road trip, she pulls out her new video camera to search for legendary creatures at every stop. One night, Deja sneaks out of the RV and meets the Texas chupacabra face-to-face! In her excitement to meet an actual cryptid, she charms the beast out of eating her. It turns out that mythological animals are not only *real*... they can *talk*. And maybe it's time for their stories to be heard!

"A heartwarming ode to cryptids, outsiders, and the joy of being a monster kid."  
—**Dave Scheidt** (*Mayor Good Boy, Agents of S.L.A.M.*)

Deja and her furry new friend hatch a plan to interview the rest of the cryptid community. Unfortunately, they're not the only ones on the trail... and some other monster-hunters don't have intentions as pure as Deja's. Has she led her beloved beasts into a trap?

"Hilarious and heartfelt. Naffziger's inviting artwork makes her passion for monsters clear and infectious, but her skill at writing lovable characters is the real star of the show."

All's fair in love and music when this supernatural all-girl rock band must beat the odds and become the best band in town!

Izzy's a bass-playing werewolf. Geraldine's the ghost of an amazing jazz pianist. Delilah's the meanest drummer in town. They'd be the perfect trio to win the Battle of Bands...except Geraldine can't play a solo since she passed away, and Izzy and Delilah are at each other's throats at every opportunity. Can they work through their problems to win the competition, or will they be defeated by Delilah's ex-band and their villainous frontman, Dylan?

Cymbals will crash, ears will ring, and hearts will melt like milkshakes in the latest delicious LGBTQ romp from graphic novelist Balazs Lorinczi (*Doughnuts and Doom*).

"An exuberant howl of a graphic novel, its swirling musical color celebrating the power of transformations, second chances, and the joyful noise of finding your people."
