Eisner-winning writer KELLY THOMPSON (*Absolute Wonder Woman*, *Black Widow*) and superstar artist STEPHEN BYRNE (*Wonder Twins*) present a vision of BUFFY THE VAMPIRE SLAYER you've got to read to believe!

Into every generation, a slayer is born. And Buffy Summers may have broken the mold. Though Buffy's powers were varied and

great, it was the love and devotion she inspired that was perhaps her greatest power. And when she gave her life to save the world, the people who loved her couldn't live with that. This is that story.

Featuring the comics debut of a beloved Buffy fan-favorite character!

“I want to kick this story off with a bang – an EVENT that would bring the casts of both shows together in an organic and personal way. Something that would focus them around a mission and instantly change some of the dynamics, while also digging into the kind of stuff we all loved – and miss – from both *Buffy The Vampire Slayer* and *Angel*.”

THE MISTRESS OF THE DARK MEETS DADDY'S LITTLE MONSTER!

What happens when the Clown Princess of Crime gets bored? Shenanigans, hijinks, grievous bodily harm... the possibilities are endless! Now add in a certain macabre-minded TV host who seems to attract trouble like crypts attract vampires, and the stage is set for the greatest team-up since Frankenstein met his Bride!

With her beloved show on the chopping block following a corporate takeover, Elvira needs to come up with a plan to get things back in the black — and her new friend Harley Quinn has an idea that's just crazy enough to work! Together, they're going to throw the greatest Halloween party Brooklyn has ever seen — whether the borough likes it or not!

Written by AMANDA CONNER and JIMMY PALMIOTTI — the world-famous tag-team of all things Harley Quinn — this crossover event for the ages from Dynamite and DC Comics also showcases Amanda's fan-favorite artistic chops, with each issue featuring two (count 'em, two) Conner covers. And that's not all (certainly not!) — she's also joining interior artist (and Elvira favorite) JUAN SAMU to provide selected story pages for the series!

MAN'S BEST FRIEND — AND CRIMINALS' WORST ENEMY!

Secure in their luxurious penthouse high above the downtown streets, wealthy inventor and art collector Radley Crown and his faithful canine companion enjoyed a charmed existence — until the fateful day a vicious gang of criminals shattered his complacency.

In the aftermath of the vicious attack, Crown focused his incredible technical skills to rebuild both himself and his four-legged companion into the ultimate instruments of retribution: The Blue Falcon and Dynamutt, Dog Wonder!

In this all-new take on the classic Hanna-Barbera cartoon, legendary comics author JIMMY PALMIOTTI (*Harley Quinn*, *The Invincible Red Sonja*) and acclaimed artist PASQUALE QUALANO (*Gargoyles: Quest*) bring to life a dark tale of justice and revenge that reimagines Big City's crimefighting duo for a new era!

TIME TO DIE ANOTHER DAY! The ravaging undead return to resume their feasting upon the living in the newest bloodcurdling chapter of Dynamite's all-star supergroup adventures in the dystopic future!

Outside the crazily fortified gates of Sunset City, the zombie hordes search ceaselessly for their prey — and that means women, because the gender-targeting Deadman virus is strictly a boys' club.

Inside the walls, rival factions jockey for power under the iron thumb of Purgatori and her enforcers, the Furies — including Vampirella, who's stuck on Earth under Drakulonian quarantine to keep the male plague at bay.

But it turns out that Vampi's not the only alien in the skies — and when someone from a certain red planet arrives on the scene, everyone's plans will get scrambled like a dead man on a busy highway!

PETER CANNON IS BACK — AND FISTS AND FEET WILL FLY!

Dynamite's millionaire martial artist returns in this all-new action-packed reimagining from enlightened author FRED VAN LENTE (*Die!namite*) and ascended artist JONATHAN LAU (*Space Ghost*)!

As a child, Peter Cannon grew up in the secluded culture of "The Awakened," an isolated movement blending New Age psychology, Tibetan Buddhism, extreme fitness, and other esoteric disciplines. But when a mass suicide wiped out almost all of the Awakened's followers, an orphaned and abandoned Peter was left to find his own way in the world.

Now, years later, the last surviving member of a mysterious mystical order arrives in New York City on a mission of revenge. His target? The renegade master who destroyed his clan — Peter Cannon! But taking out the fabled Lightning Vessel of the Awakened is easier said than done — especially considering that Cannon's mind-and-body-perfected moves can collapse time and defy death itself!

Riding in hot on the heels of Volume One's cliffhanger ending — the eagerly anticipated return of Blood! Guts! and a Sugar Rush! is here! Sweetie and her Candy Vigilante squad are back to kick off Volume Two of their SWEET new series with the epic, not-to-be-missed "Sugartown Show-down"! Together with her shape-shifting, licorice-loving lycanthrope Candy Wolf and newly "minted" ninjette warrior Pixie Stix, Sweetie faces off against her "salty" arch-nemesis Bart Volgare and his gang of thugs in the icy, snowy streets of New York City with a violently delicious fury. So, you have chosen salt? So be it! Blood is spilled and lives are changed (including many ended) as an army of fabled supernaturals and sugar-fueled allies hop into action to scramble the bad eggs. Candy Wolf shows the crime syndicate soldiers what big teeth he has, while Pixie gives her newly gifted nunchucks a maiden battlefield test-spin, reducing criminal weaponry to molten scrap metal! Sweetie's signature Jawbreaker gun also resurfaces, armed with delicious new ammo (can't you just smell the gingerbread?), but not before she unleashes some brand-new, sweetly sinister confections that wash away the naughty and leave a wicked smile on your face — literally! Isn't that NICE? What does Bart have to say for himself about the disappearance of Sweetie's parents? Will a certain supercharged monster truck fueled by ice cream make the scene? When the candy-coated carnage ends, will the bodies be bagged before NYC's Department of Sanitation barrels down the block to do their rounds? Pick up *Sweetie Candy Vigilante Vol. 2* and find out, gumdrop!

This volume also includes a FREE MP3 download of the song "Hatchy M-latchy," a new, never-before-released track by Osaka Popstar recorded specifically for this book!
