SUPERHEROES, ACTION/ADVENTURE			SERIES PREMIERE	

There is a secret war being waged across the world by two violent forces with superhuman abilities who blur the lines between good and evil.

When Marilyn Howe's search for her missing sister Alessandra puts her in the center of this conflict, she'll learn that the power to save the world comes from unlocking your genetic code and giving up everything you thought you knew about yourself...if you survive the experience.

Perfect for fans of INVINCIBLE and X-Men, nothing can prepare you for the most violent and unpredictable superhero series of the year!

NOTE: *Blind bags will include a chance to get ONE of ANY of the solicited TERMINAL #1 A-H covers—raw and unsigned—intermixed at varying degrees of rarity.*

The sleepy little town of Aurora Springs, NY, has exactly one claim to fame: it's the birthplace of Rascal Randy. Not the man in the suit—the man has never mattered. He was no one until he put the mascot head on for the first time, until he felt the life leave someone's body through the thickly furred gloves of the suit.

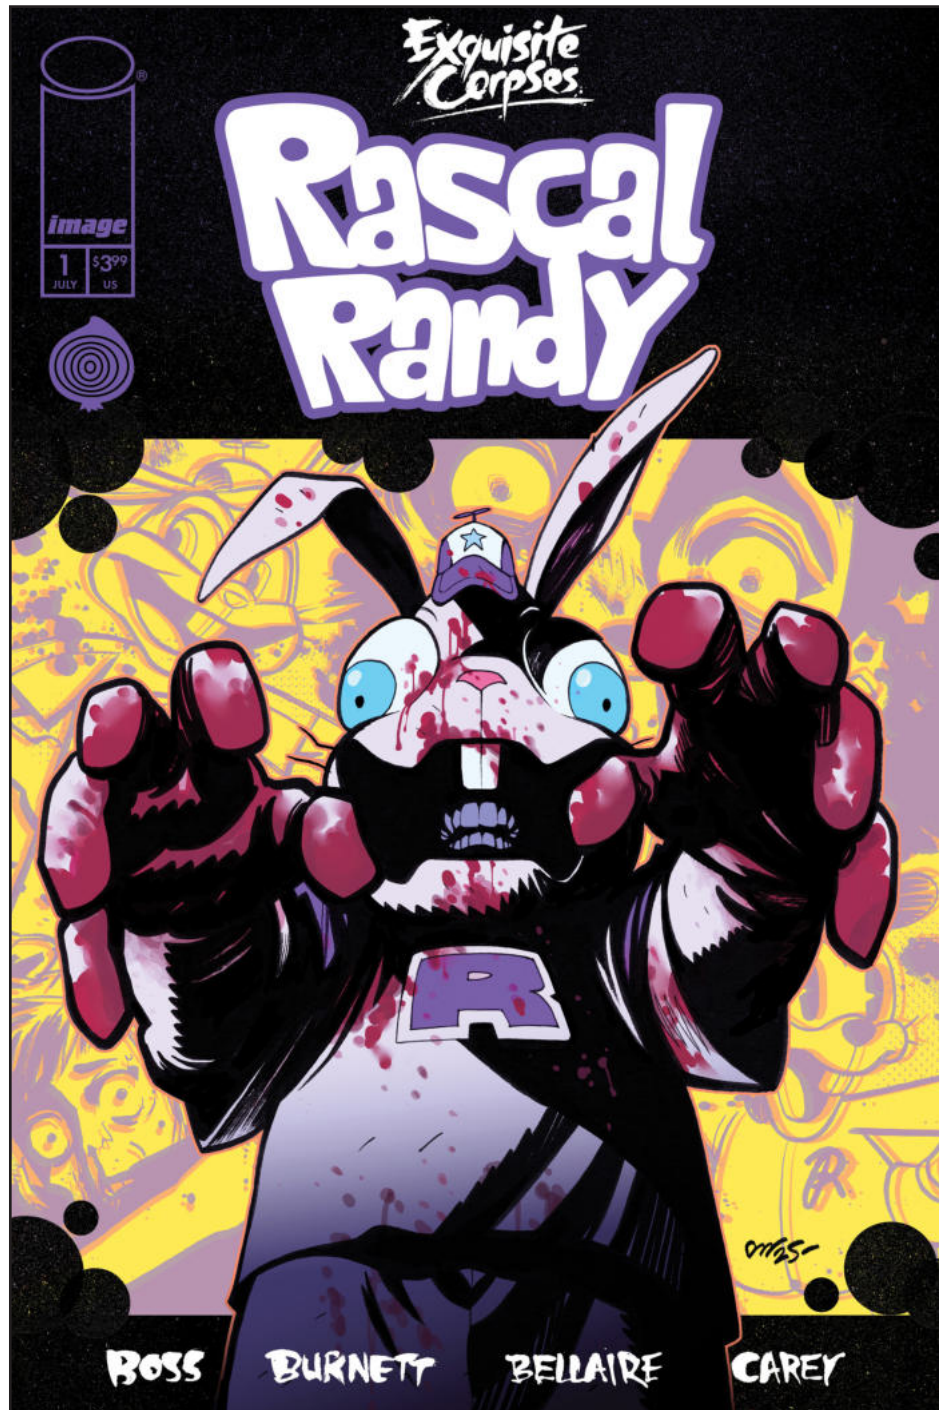

No, Aurora Springs is the birthplace of Rascal Randy the rabbit, who, once upon a time, was poised to become the greatest animated character this country had ever seen—until greed and tragedy changed his trajectory forever.

Now, before the events of **EXQUISITE CORPSES SEASON 1**, witness the final murder spree of this iconic killer, as chaos hops into town with buckteeth bared and ears flopping...and the secret, sordid history of Rascal Randy is finally revealed.

Hannibal meets *Silent Night, Deadly Night* in this pitch-black holiday horror story that cuts right through our most unspoken cultural taboos.

As snow falls over Milwaukee in 1972, a blood-stained Santa Claus commits unimaginable atrocities against young men. Fifty years later, a troubled young writer interviews this so-called “Deviant Killer,” who still maintains his innocence from behind bars. And as Christmas approaches once again, the past returns, wielding a sharpened ax.

Eisner-winning writer **JAMES TYNION IV** (**THE DEPARTMENT OF TRUTH, EXQUISITE CORPSES**) and acclaimed artist **JOSHUA HIXSON** (**SHANGHAI RED, Absolute Batman, The Plot**) unite for a psychological crime thriller that explores the intersection of queer identities and a broader scope of cultural transgression and deviance.

JUL 29	128 PAGES	FC	T+	\$9.99
FANTASY, SATIRE				

"Hilarious, vivid, endlessly clever, and filled with heart. The best new comic I've read in forever!" —**Matt Dinniman, Dungeon Crawler Carl**

"You had me at magic talking eyeball shield. Brett Bean creates a fantasy world like no other! Don't be a dork, buy D'orc!" —**Robert Kirkman, Invincible, The Walking Dead**

"D'orc is pure fun and mayhem! Absolutely my kind of book!" —**Skottie Young, I Hate Fairyland**

The perfect mix of Bone, The Dark Crystal, Discworld, and Monty Python, D'ORC is destined to be a new fan-favorite for years to come.

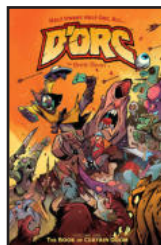

D'orc, the half dwarf/half orc is fated to end the world because of some inconvenient doomsday prophecy from the Book of Certain Doom.

Armed with nothing but a magical yet ambitiously violent shield and a chicken with its head cut off, D'orc is thrown dead center into Sunderaine's never-ending war between the Light and Dark. Elves vs. Orcs. Wizards vs. Common Sense. Dragons vs. Literally Everyone.

Can he survive being hunted, blamed, and beaten by every human, elf, goblin, dwarf, Witch, Timelord, Ice Giant, three headed Dog, and at least three other unpronounceable magical creatures?

Join fan-favorite artist **BRETT BEAN (I HATE FAIRYLAND, Dungeon Crawler Carl The Crocodile)**, colorist **JEAN-FRANÇOIS BEAULIEU (I HATE FAIRYLAND)**, and letterer **NATE PIEKOS (Minor Threats)** for a hilarious high-fantasy romp perfect for fans of Conan, The Lord of the Rings, and of course, Gert's deadpan humor.
