Presents our featured Publisher for  
MAY 2026

Aloha Comics is an independent publisher bringing standout graphic novels and illustrated titles to English-speaking readers, pairing sharp curation with strong retail and convention presence. The company became popular after loud crowdfunding campaigns and keeps customers excited because it was the first to bring the Link Click graphic novel in English to the U.S. market. The team focuses on building long-term audiences through smart distribution, clear branding, and market-aware editions that collectors and new readers both want. Their imprinting name Parabooks complements this mission by populating Paranormal books and creepy stories. Together, Aloha Comics and Parabooks bridge cultures and fandoms worldwide.
