Avatar Aang: The Last Airbender

A NOVEL BASED ON THE ANIMATED FILM ON PARAMOUNT+

- BY ALLISON KING

This official novelization of Avatar Aang: The Last Airbender, the all-new animated film on Paramount+, includes expanded scenes that delve further into Team Avatar's efforts at rebuilding the Four Nations in the era following the Hundred Year War. Perfect for fans of the film who are hungry for more content as well as all fans of Avatar: the Last Airbender.

What does it mean to be the last of your kind, and what would you do to change it?

Years after saving the world, Avatar Aang and his friends are living legends. They have all followed separate paths since the Hundred Year War, and each has grown into adulthood while shaping humanity in unique ways. Though his companions look eagerly toward the future, Avatar Aang struggles to do the same. Instead, he finds himself drawn to the past, making long journeys to the abandoned Air Temples to collect what is left of his culture in a world that has already begun to move on.

When a group of violent non-benders attack the Avatar at the Southern Air Temple and steal a mysterious relic, they set in motion a race across the world for a legendary power that threatens to destabilize the fragile balance Aang worked so hard to achieve. And so Aang reassembles his team: Sokka, now an ingenious inventor helping to rebuild his home in the Southern Water Tribe; Toph, who teaches metalbending to a new generation; Zuko, whose leadership has steered the Fire Nation to an era of peace; and Katara, a leader in the young multicultural metropolis of Republic City. Together, the group traverses the globe to sites that have been abandoned for millennia, where they learn of ancient Avatars, meet powerful spirits, and uncover dangerous new abilities, one of which could grant Avatar Aang's deepest wish: to save the Air Nomad culture from extinction.

Though his team's collective hopes are great, Aang must confront whether his lifelong dream might become the very thing that destroys him—and the new world he has built.

Allison King is an Asian American writer and software engineer based in Cambridge, Massachusetts. In technology, her work has ranged from semiconductors to platforms for community conversations to data privacy. In addition to The Legend of Aang: The Last Airbender, she is the author of The Phoenix Pencil Company, a 2023 Reese's Book Club pick.

Bitter Pill

RANDY SHILTS AND THE DAWN OF THE HIV/AIDS EPIDEMIC

- WRITTEN BY CLÉMENT XAVIER; ILLUSTRATED BY HÉLOÏSE CHOCHOIS

Pioneering reporter Randy Shilts fights to expose the truth during the earliest days of the AIDS epidemic. With hospital beds filling up, the clock is ticking. . . . What will it take to wake up the nation?

San Francisco, 1981. Drawn from true events, this graphic novel follows Randy Shilts—biographer of Harvey Milk and one of the first openly gay journalists hired by the mainstream press—as he receives a chilling call at the *Chronicle*: a Los Angeles patient is being treated for a rare and aggressive cancer.

A meeting with an infectious disease researcher confirms his worst fear: this so–called "gay cancer" is neither rare nor isolated—it's the beginning of a national health crisis. With those in power slow to respond, Shilts resorts to bold tactics to force attention on the unfolding HIV/AIDS epidemic.

His relentless pursuit of the truth would help change history, exposing a catastrophe too many chose to ignore. In this dramatic graphic portrait inspired by the life and legacy of Randy Shilts, the creators bring to the page a story that feels both urgent and insightful.

Shilts's groundbreaking reporting and books (*The Mayor of Castro Street*, *And the Band Played On*, *Conduct Unbecoming*) became cornerstones of journalism and LGBTQ+ history. This graphic novel offers a powerful new interpretation of the transformative moment that defined his legacy.

Featuring an afterword by Randy Shilts biographer Michael Lee, author of *When the Band Played On: The Life of Randy Shilts*.

Clément Xavier studied comics in Angoulême, France, and afterward, he cofounded Na, an award–winning publisher of comics and photo stories. He has written numerous graphic novels, with a focus on history and biographies, including *The Bodyguard Unit*, about the women's suffrage movement in England. **Héloïse Chochois** studied the graphic arts and has dedicated much of her young career to the worlds of health and science. She started with topics ranging from transhumanism to artificial intelligence, before expanding to broader societal subjects.

SELLING POINTS

STRONG NARRATIVE: *Bitter Pill* is a dramatic graphic portrait inspired by true events, unfolding with the tension of a thriller. Blending fact and narrative reconstruction, it draws readers into the earliest days of the AIDS epidemic with urgency and emotional force.

BROAD COMMUNITY: The book connects with the vast readership of Shilts' landmark work *And the Band Played On*, which remains a touchstone of AIDS journalism and LGBTQ+ history. By revisiting this pivotal moment through a graphic lens, the creators introduce Shilts' legacy to a new generation of readers.

TIMELY PERSPECTIVE: Shilts' fight to bring attention to an emerging health crisis resonates powerfully today. At a time when public health, journalism, and political accountability face renewed scrutiny, his story offers a compelling lens on courage, responsibility, and the cost of silence—and speaking out.

Lantern Pass

A SUPERNATURAL ALPINE THRILLER

- WRITTEN BY SERGE LEHMAN; ILLUSTRATED BY FREDERIK PEETERS

A darkly immersive graphic novel mystery set in a small town in the Alps, for fans of *Fargo* and *Gideon Falls*

In the dead of winter, detectives Frank Sangaré and Ms. Umber arrive in Saint–Elme, a remote village in the Alps famed for its mineral water—where residents have learned to mind their own business.

The pair is investigating the disappearance of a wealthy young man who vanished three months earlier. But in Saint–Elme, power flows through the Sax clan, and the local police serve at their pleasure. Thinly veiled threats maintain the peace, and everyone knows where the lines are.

As Sangaré and Umber push forward, they see the high cost of challenging that order—but then the boundaries start to shift. Frogs have flooded the streets. People are seeing things they shouldn't. And the case pulls the detectives into something beyond the reach of money or influence.

From award–winning author who manga–adapted Wes Anderson's *Isle of Dogs* comes a quirky poetic literary drama. Meet Forrest Gump, if he were a bearded carpenter! Follow a clumsily gruff carpenter's attempt to keep his family business afloat amidst a romance with a childhood friend

After a fire burns down his family business and claims the lives of his parents, the young heir and master carpenter Shigetsugu vows to rebuild the failing venture with his late father's words in mind: "No matter how much the times change, what's important is for our kind to have compassion and dedication."

And then Ritsu, a housemaid with no relatives to rely on, comes rolling into his life with a group of children from a welfare facility who have nowhere to go, thus begins the dramatic last–ditch way–of–life story of a shaggily bearded carpenter!

Chagall

PAINTER OF POETRY

- BY SIMON ELLIOTT

"Poet, dreamer, and exotic apparition . . ."— this is a graphic novel about the colorful life of modernist pioneer Marc Chagall

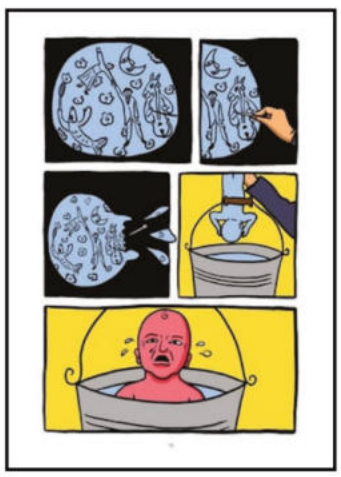

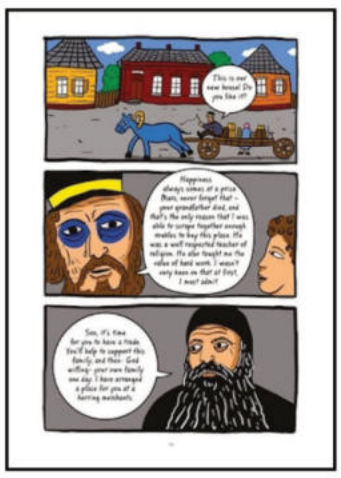

The artist Marc Chagall (1887–1985) once described painting as "a window through which I could fly into another world"—which is just what he did. He grew up Jewish in the so–called Pale of Settlement (now Belarus) in the Russian Empire, relocating to Paris in 1910, at the height of the belle epoque, and then served an uncomfortable time as an art commissar in Bolshevik Russia. He would spend his long lifetime outrunning and outliving a succession of oppressive regimes (Tsarist, Soviet, Fascist, Nazi) as numerous as the art movements he absorbed (surrealist, fauvist, symbolist, modernist) and the range of media he both liberated and illuminated. In his ceramics, stained glass, tapestry—above all, in his paintings—Chagall brought the freedom of his "colors of love" to a stark world that is too often too dark.

Acclaimed for his graphic biographies of Hockney (2023), Van Gogh (2024), and Kusama (2025), Simon Elliott returns with a triumphant portrait of perhaps the greatest colorist (and therefore optimist) of them all.

Simon Elliott is a criminal barrister, art obsessive, and lover of all things colorful. Inspired by Hockney's message in 2021 that "spring cannot be cancelled." Elliott put his lockdown to good use by engrossing himself in all things Hockney, learning how to paint on an iPad, and creating his first graphic novel, *Hockney: A Graphic Life* (Frances Lincoln, 2023), which was published with Hockney's blessing. His other works include *Vincent: A Graphic Biography* (Frances Lincoln, 2024), and *Kusama: Polka Dot Queen* (SelfMadeHero, 2025).

THE INTERESTING NARRATIVE OF THE LIFE OF MARY WOLLSTONECRAFT

- BY MARY M. TALBOT AND BRYAN TALBOT

A graphic novel from the award–winning creative duo Mary M. Talbot and Bryan Talbot about Mary Wollstonecraft, foundational feminist philosopher and author

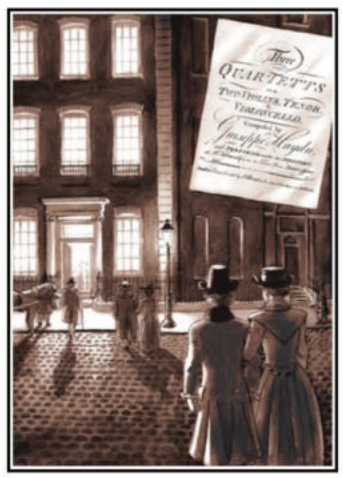

"It is time to effect a revolution in female manners—time to restore to them their dignity."

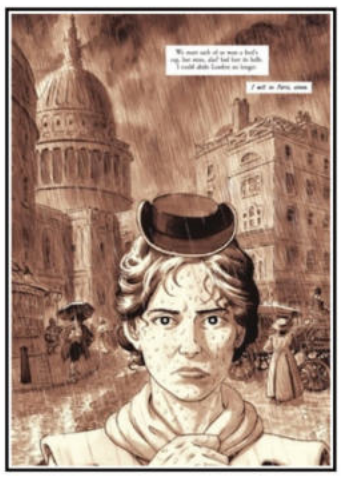

In the Age of Revolutions, with many movements springing up to demand greater liberties for mankind, Mary Wollstonecraft spoke out for the other "one–half of the human race": that of womankind.

Over 20 years before her daughter, Mary Shelly, created the science–fiction genre with *Frankenstein*, Wollstonecraft's 1792 manifesto, *Vindication of the Rights of Woman*, took the world by storm. Forthright and fearless, she mingled with other radical thinkers of her time and traveled widely. In the same year she published her magnum opus, she even ventured alone to Paris during the Reign of Terror.

This graphic biography of the then–controversial and now–legendary Wollstonecraft comes from the creative partnership of Mary M. Talbot and Bryan Talbot, the award–winning duo behind *Dotter of Her Father's Eyes, Sally Heathcote: Suffragette*, and *Armed with Madness*.

Mary M. Talbot is an academic turned graphic novelist. Her first graphic novel, *Dotter of Her Father's Eyes* (with Bryan Talbot), won the 2012 Costa Biography Award. Her most recent, *Rain* (2019, with Bryan Talbot), is a rallying cry to protect the planet. Her previous graphic novels are *Sally Heathcote, Suffragette* (2014, with Kate Charlesworth and Bryan Talbot) and *The Red Virgin* (2016, with Bryan Talbot). Her most recent academic book is *Language and Gender* (3rd ed, 2019). She is currently visiting professor of graphic narrative at Lancaster University. Multiple award–winning artist **Bryan Talbot** has been working in comics for over 40 years. He's produced underground, fantasy, and superhero stories such as Batman and Sandman, and graphic novels including *The Adventures of Luther Arkwright, The Tale of One Bad Rat, Alice in Sunderland*, the *Grandville* series, as well as illustrating the books written by Mary. They are both founding patrons of the Lakes International Comic Art Festival. Bryan was awarded a doctorate in arts and another in letters and is a Fellow of the Royal Society of Literature. In 2024, he was inducted into the prestigious Will Eisner Comic Industry Hall of Fame.

The Year I Stopped Drawing

AN ILLUSTRATED NOVEL-IN-VERSE

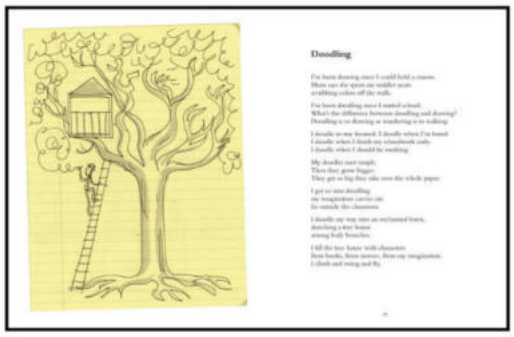

- WRITTEN AND ILLUSTRATED BY GRANT SNIDER

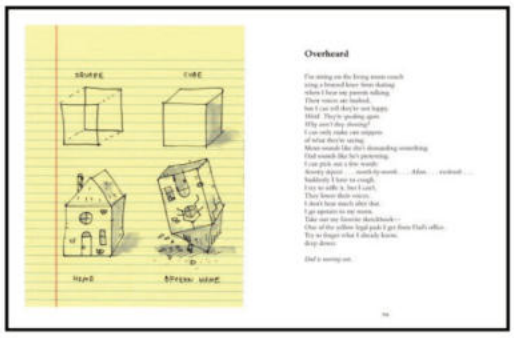

From nationally bestselling author and artist Grant Snider comes a moving and inventive middle–grade illustrated novel in verse about overcoming perfectionism and discovering who you are

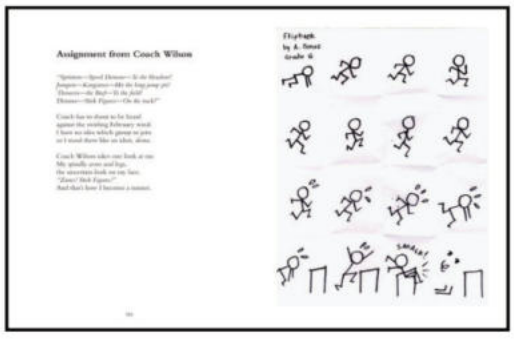

Praise for*The Year I Stopped Drawing*

"*The Year I Stopped Drawing* is a beautifully written, designed, and illustrated story! Grant Snider's poetry sings and captivated my heart on every page! I couldn't put it down! Buy it. Read it. Share it!" –John Schu, librarian and *New York Times* best–selling author of *Louder Than Hunger*

Adam has always been the kid who could draw. Art is how he expresses himself and finds confidence and control. But this year, everything feels off. His parents are fighting, a bully is picking on him, and there's a new better artist in school. As Adam's world turns upside down, he can feel his love of drawing slipping away. But who is Adam without art? On one particularly bad day, Adam ends up in the guidance counselor's office with an assignment: try something new, even if you're bad at it. Maybe *especially* if you're bad at it.

At first, Adam doesn't see much point in squeaking through band rehearsal or slogging through track. But slowly, like a Picasso painting, Adam gains a new perspective: maybe everyone is more complicated than they originally seem—including himself. And maybe being the best is not as important as just being Adam.

From nationally bestselling author and artist Grant Snider comes a powerful and inventive middle–grade illustrated novel–in–verse about overcoming perfectionism, discovering the power of art, and surviving seventh grade.

OLIVER'S GREAT BIG UNIVERSE

Oliver's Great Big Universe #3: Evolution Changes Everything!

Previously Offered Thru Other Distributors

- BY JORGE CHAM

Science meets *Diary of a Wimpy Kid* in this original illustrated middle–grade fiction series that blends science with narrative from bestselling author–artist Jorge Cham, the Emmy Award–nominated creator of PBS's *Elinor Wonders Why*

Praise for Oliver's Great Big Universe

"Mind–expanding and hilarious! I got smarter reading this!"
—Jeff Kinney, author of the international bestselling series Diary of a Wimpy Kid

Oliver needs a new computer because nobody wants to play with him as every move and save takes way too long. To raise money, he has the brilliant idea to write another book and sell it at school. So, he picks a topic he thinks lots of kids will like—animals. But when he starts to think about it, he wonders where *do* animals come from, and that leads him to wonder where life comes from and how animals evolve. Subjects range from the origins of life (primordial soup and life in early Earth—mostly scum/bacteria) to small organisms and fish to dinosaurs, of course! Mass extinctions. Cats, dogs, horses and chickens. And oh yes, people!

Along with making his new book, Oliver's also doing chores for neighbors to make money, including odd jobs for the old cat lady down the street, who, as it turns out, is a retired paleontologist. (Not just any paleontologist, but as it's revealed later, a famous one.) As Oliver does chores for her, she fills him in on the history of life on earth.

Meanwhile, Oliver is doing great with his group of friends. But as they all get excited to help him with the book, this causes trouble, leading to a mild breakup of the group which all gets resolved at the end in typical Oliver–esque humorous fashion.

With laugh–out–loud humor and cartoon–style illustrations from bestselling writer and the creator of PHD Comics Jorge Cham, *Oliver's Great Big Universe* is a STEAM–themed, diary–style series following one kid who's taking on the whole universe—if he can survive school first.

Jorge Cham is the bestselling, Emmy Award–nominated creator of . . . many things: from the hit PBS show *Elinor Wonders Why* to the hit nonfiction book for adults called *We Have No Idea*, along with the hit podcast *Daniel & Jorge Explain the Universe* and the popular webcomic *PHD Comics*. He is, without a doubt, an *expert* on explaining things about the world in interesting and fun ways. He obtained his PhD in robotics from Stanford University and was an instructor and research associate at Caltech from 2003 to 2005. He is originally from Panama and is now based in Los Angeles.

One of the greatest tennis players the world has ever seen was a woman few even remember. A championship player by the age of fifteen in a Europe overshadowed by impending war, Suzanne Lenglen broke records for ticket sales and match winning streaks, scandalised and entranced the public with her playing outfits, and became a pioneer, making friends and enemies throughout restrictive tennis society in the trailblazing jazz age.

With stunning art and an astute eye, *Suzanne* explores how a figure both enormously influential and too-often overlooked battled her father's ambition, bias in sporting journalism, and her own divisive personality, to forge a new path — and to change sport forever.

An autobiographical graphic novel charting the highs and lows of life from immigration and health challenges to pets and zombies.

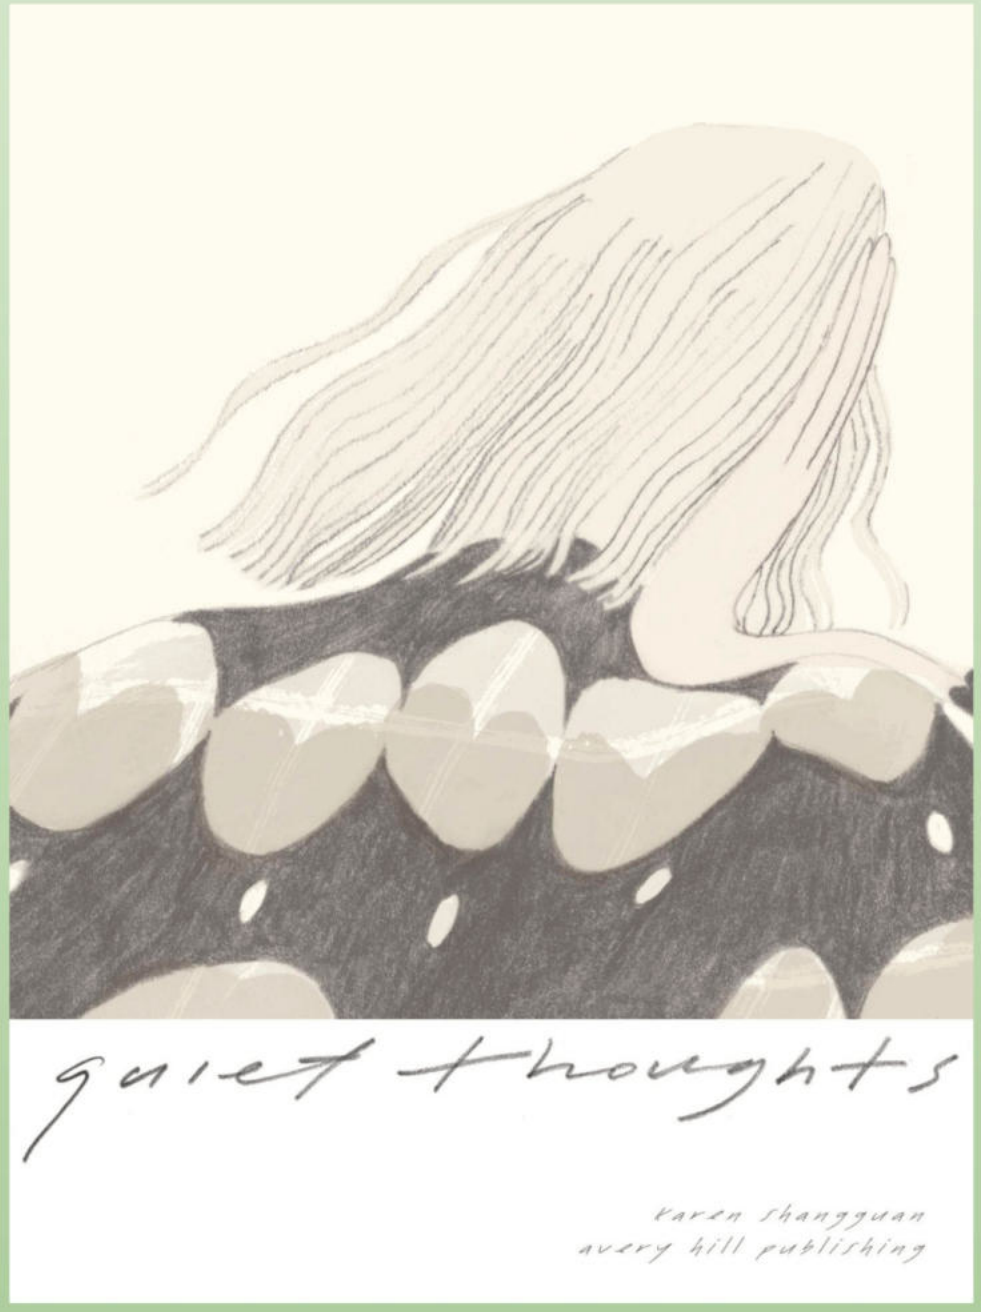

These are the moments of Taki Soma's life: her early childhood in Japan in the early 80s, moving to Minnesota, the separation of her parents, childhood trauma, teenage angst, death, drugs, comics, health issues, love, fertility, pets and zombies. Sleeping While Standing is an unflinching look at both joyful and harrowing moments, but threaded through with levity and love.

In her author/illustrator graphic novel debut, Soma takes us through the important events in her life that shaped who she is today, told in her genuine, compelling, and humorous authorial voice.

'Dentist Robs Women of Teeth' -- 'Death Chair for Nice Old Man' – 'Mother Feeds Son Like Bird'

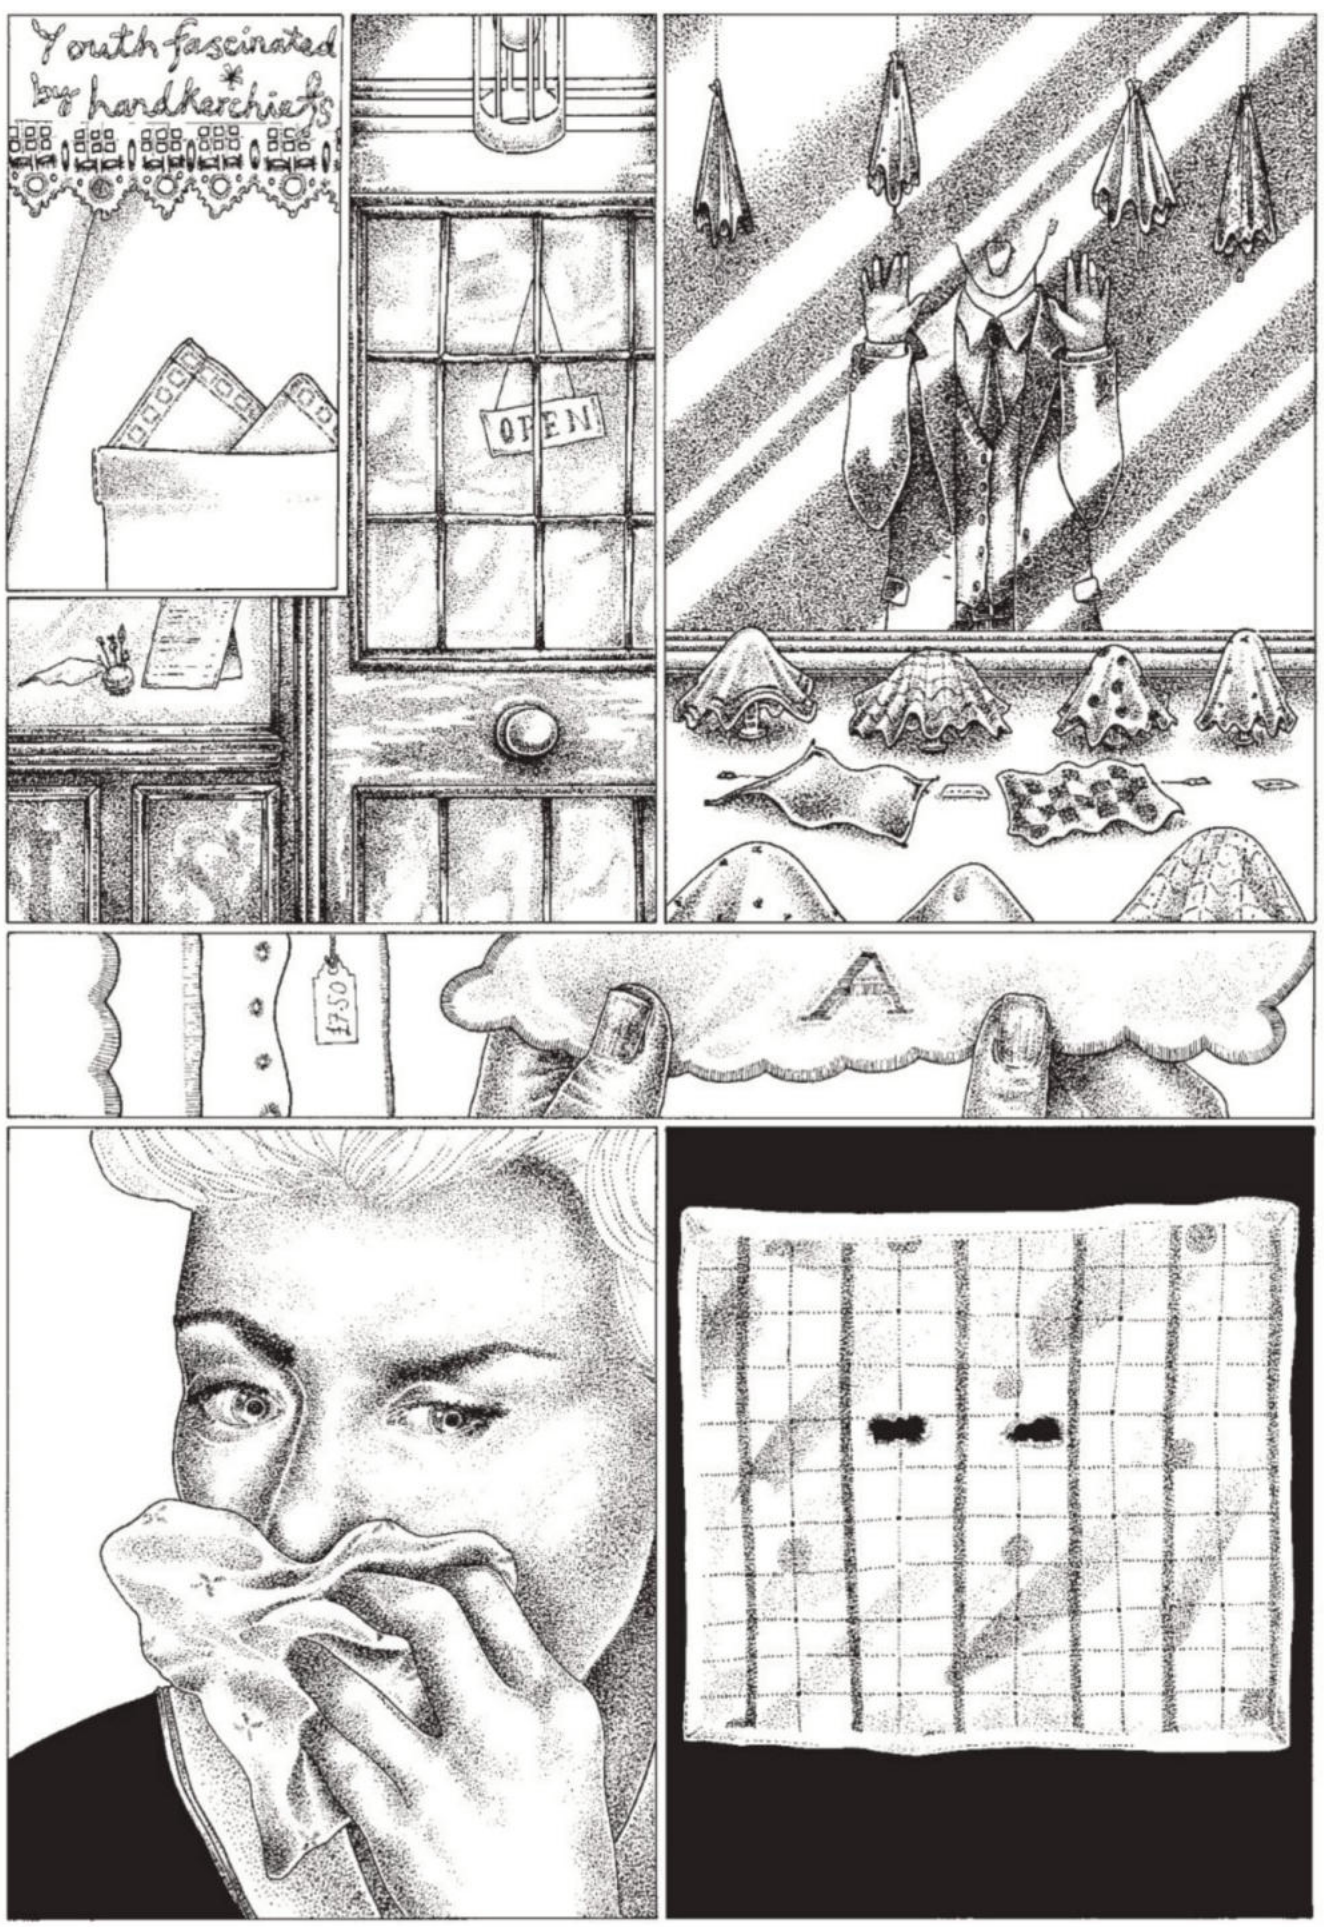

The British newspaper clipping collection of egalitarian George Ives, collected between 1892 and 1949, ranged from murder and theories of crime to cricket scores. He was fascinated by the unusual, the gothic, the sexual, and the melodramatic.

In this graphic novel, acclaimed cartoonist J. Webster Sharp shares some of the most bizarre stories from the archives of George Ives in silent comics form. With often shocking, visceral black and white artwork, the strangeness and eccentricity of the Edwardian era provides a backdrop for Sharp's own struggles with mental health.

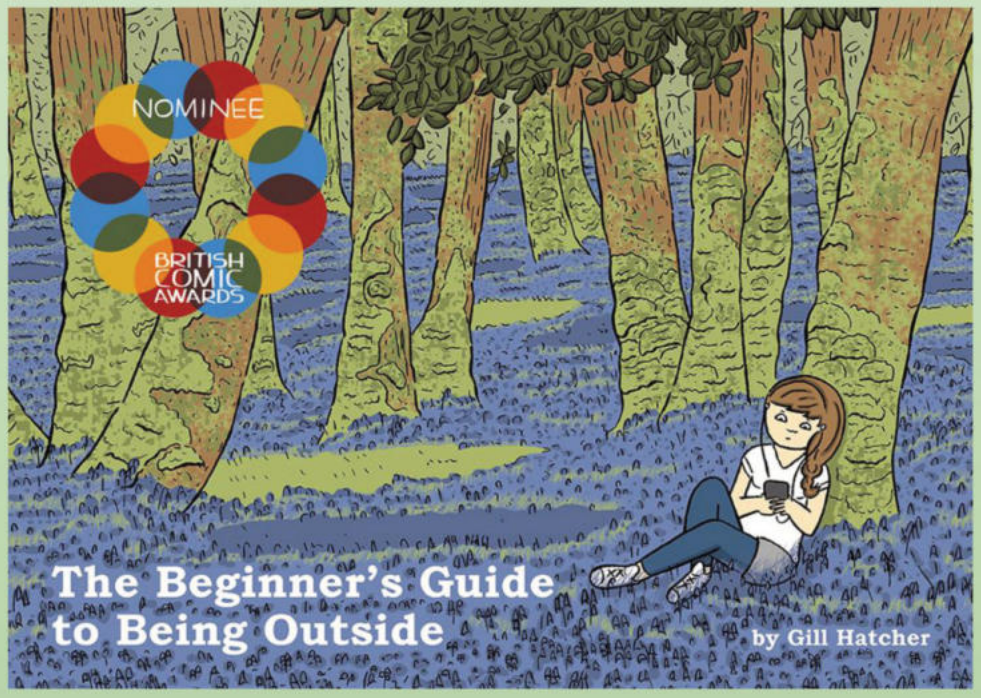

The Scrapbook of Life and Death is a fascinating, personal window into forgotten historical views of eccentric and socially transcendent and disturbing behaviors -- and their resonance in life today.

Then her research into an obscure star-shaped Devonian-era cephalopod fossil drags her into a scavenger hunt that indicates her subject may be hiding some of the central secrets of the universe. Or at least, that's what 19th century polymath Havius Corus thought.

Careening through libraries, churches, botanical gardens, and stone circles with her roommate Eddie (and their trusty cat Raisin, who travels with them via backpack), Lorelei explores the puzzles and the mysteries the polymath has hidden from the world . . . unseen in the architecture and the nature all around her.

Can Lorelei find the secrets of fossil history? And will her thesis advisor think her hard work is a legitimate dissertation topic? Lorelei, Eddie, and Raisin are on the case!

New York Times best-selling writer **Matt Kindt** (BRZRKR) and superstar artist **Juan José Ryp** (WOLVERINE) combine their powers to unleash a brutal new oversized blockbuster.

Chris Tracey is a highly-trained Russian sleeper agent embedded deep within the Midwestern United States. For 40 years, he's lived under an assumed identity, waiting for the day Russia calls him into action. Every morning, he checks the newspaper for a secret code only he would recognize. Every morning, it isn't there.

Then the Soviet Union collapses. Years become decades. Chris builds a life. And at 65 years old, he's finally accepted the obvious: the call is never coming.

Until one morning, he opens the newspaper and sees the code.

Has Chris Tracey really been activated after 40 years—or is it just a coincidence?

Either way, Chris isn't taking any chances.

The suits may not fit like they used to. His tradecraft is a little rusty. And the world of espionage has changed a lot since 1986. But Chris Tracey was trained to be one of the most dangerous spies alive.

He's waited forty years for his first mission.

He's not going to miss it.

A BLOODY HORROR FABLE

FROM EMMY AWARD-WINNING SCREENWRITER
PHILIP GELATT
(NETFLIX'S LOVE, DEATH & ROBOTS)

AND

ACCLAIMED FILMMAKER
DAVID YAROVESKY
(BRIGHTBURN)

AND SUPERSTAR ARTIST
ADAM POLLINA
(X-FORCE, PYRATE QUEEN)

FROM THE SCREENWRITER OF LOVE, DEATH & ROBOTS & THE DIRECTOR OF BRIGHTBURN

Emmy Award-winning screenwriter **Philip Gelatt** (LOVE, DEATH & ROBOTS), acclaimed filmmaker **David Yarovesky** (BRIGHTBURN), and visionary artist **Adam Pollina** (X-FORCE) shock the senses in the next bloody chapter of their terrifying new horror comic book event.

Kidnapped by a gang of drugged-out hippie murder cultists, baby goat Bronson is left alone desperately searching for what's left of his family. Trapped inside a nightmarish house of horrors, all he can find are Satanic revelers lost in a depraved frenzy of drugs, blood, sex, and violence.

But this isn't just a party. Tonight's the night, Magus, the cult's self-proclaimed Dark Prince, brings about the end of the world. All he needs is a blood sacrifice to summon his master, the ancient demon Asmodeus into our realm... And the ritual calls for goats.

A BREATHTAKING, BONE-CRUSHING COSMIC ODYSSEY

MATT KINDT

AND

SUPERSTAR ARTIST
LEWIS LAROSA
(PUNISHER: MAX)

WITH CRITICALLY ACCLAIMED COVER ARTIST
LEINIL FRANCIS YU
(SUPERMAN: BIRTHRIGHT)

BRZRKR'S MATT KINDT UNLEASHES AN ACTION SCI-FI SPECTACLE

From New York Times best-selling writer **Matt Kindt** (BRZRKR, THE HERO TRADE) and master illustrator **Lewis LaRosa** (PUNISHER MAX, BLOODSHOT) comes an explosive cosmic odyssey of unparalleled scope and artistry -- now in deluxe oversized hardcover format!

Twenty minutes ago, a massive monolith crashed into the heart of Baltimore, obliterating 16 square blocks. No one knows where it came from or why. Somehow, the monstrous deep space object evaded the global surveillance net. Three elite breach teams were dispatched to penetrate its outer shell and disable it.

Ten minutes ago, it sprouted tendrils that began ripping apart nearby streets, cars and even people using the raw material to print itself larger. Police, SWAT, the Feds, even NORAD were powerless to stop it. Just two minutes ago, the megalithic anomaly achieved its final form -- a gigantic, hundred-story tall, humanoid, mecha-robot -- then began marching towards Washington, DC.

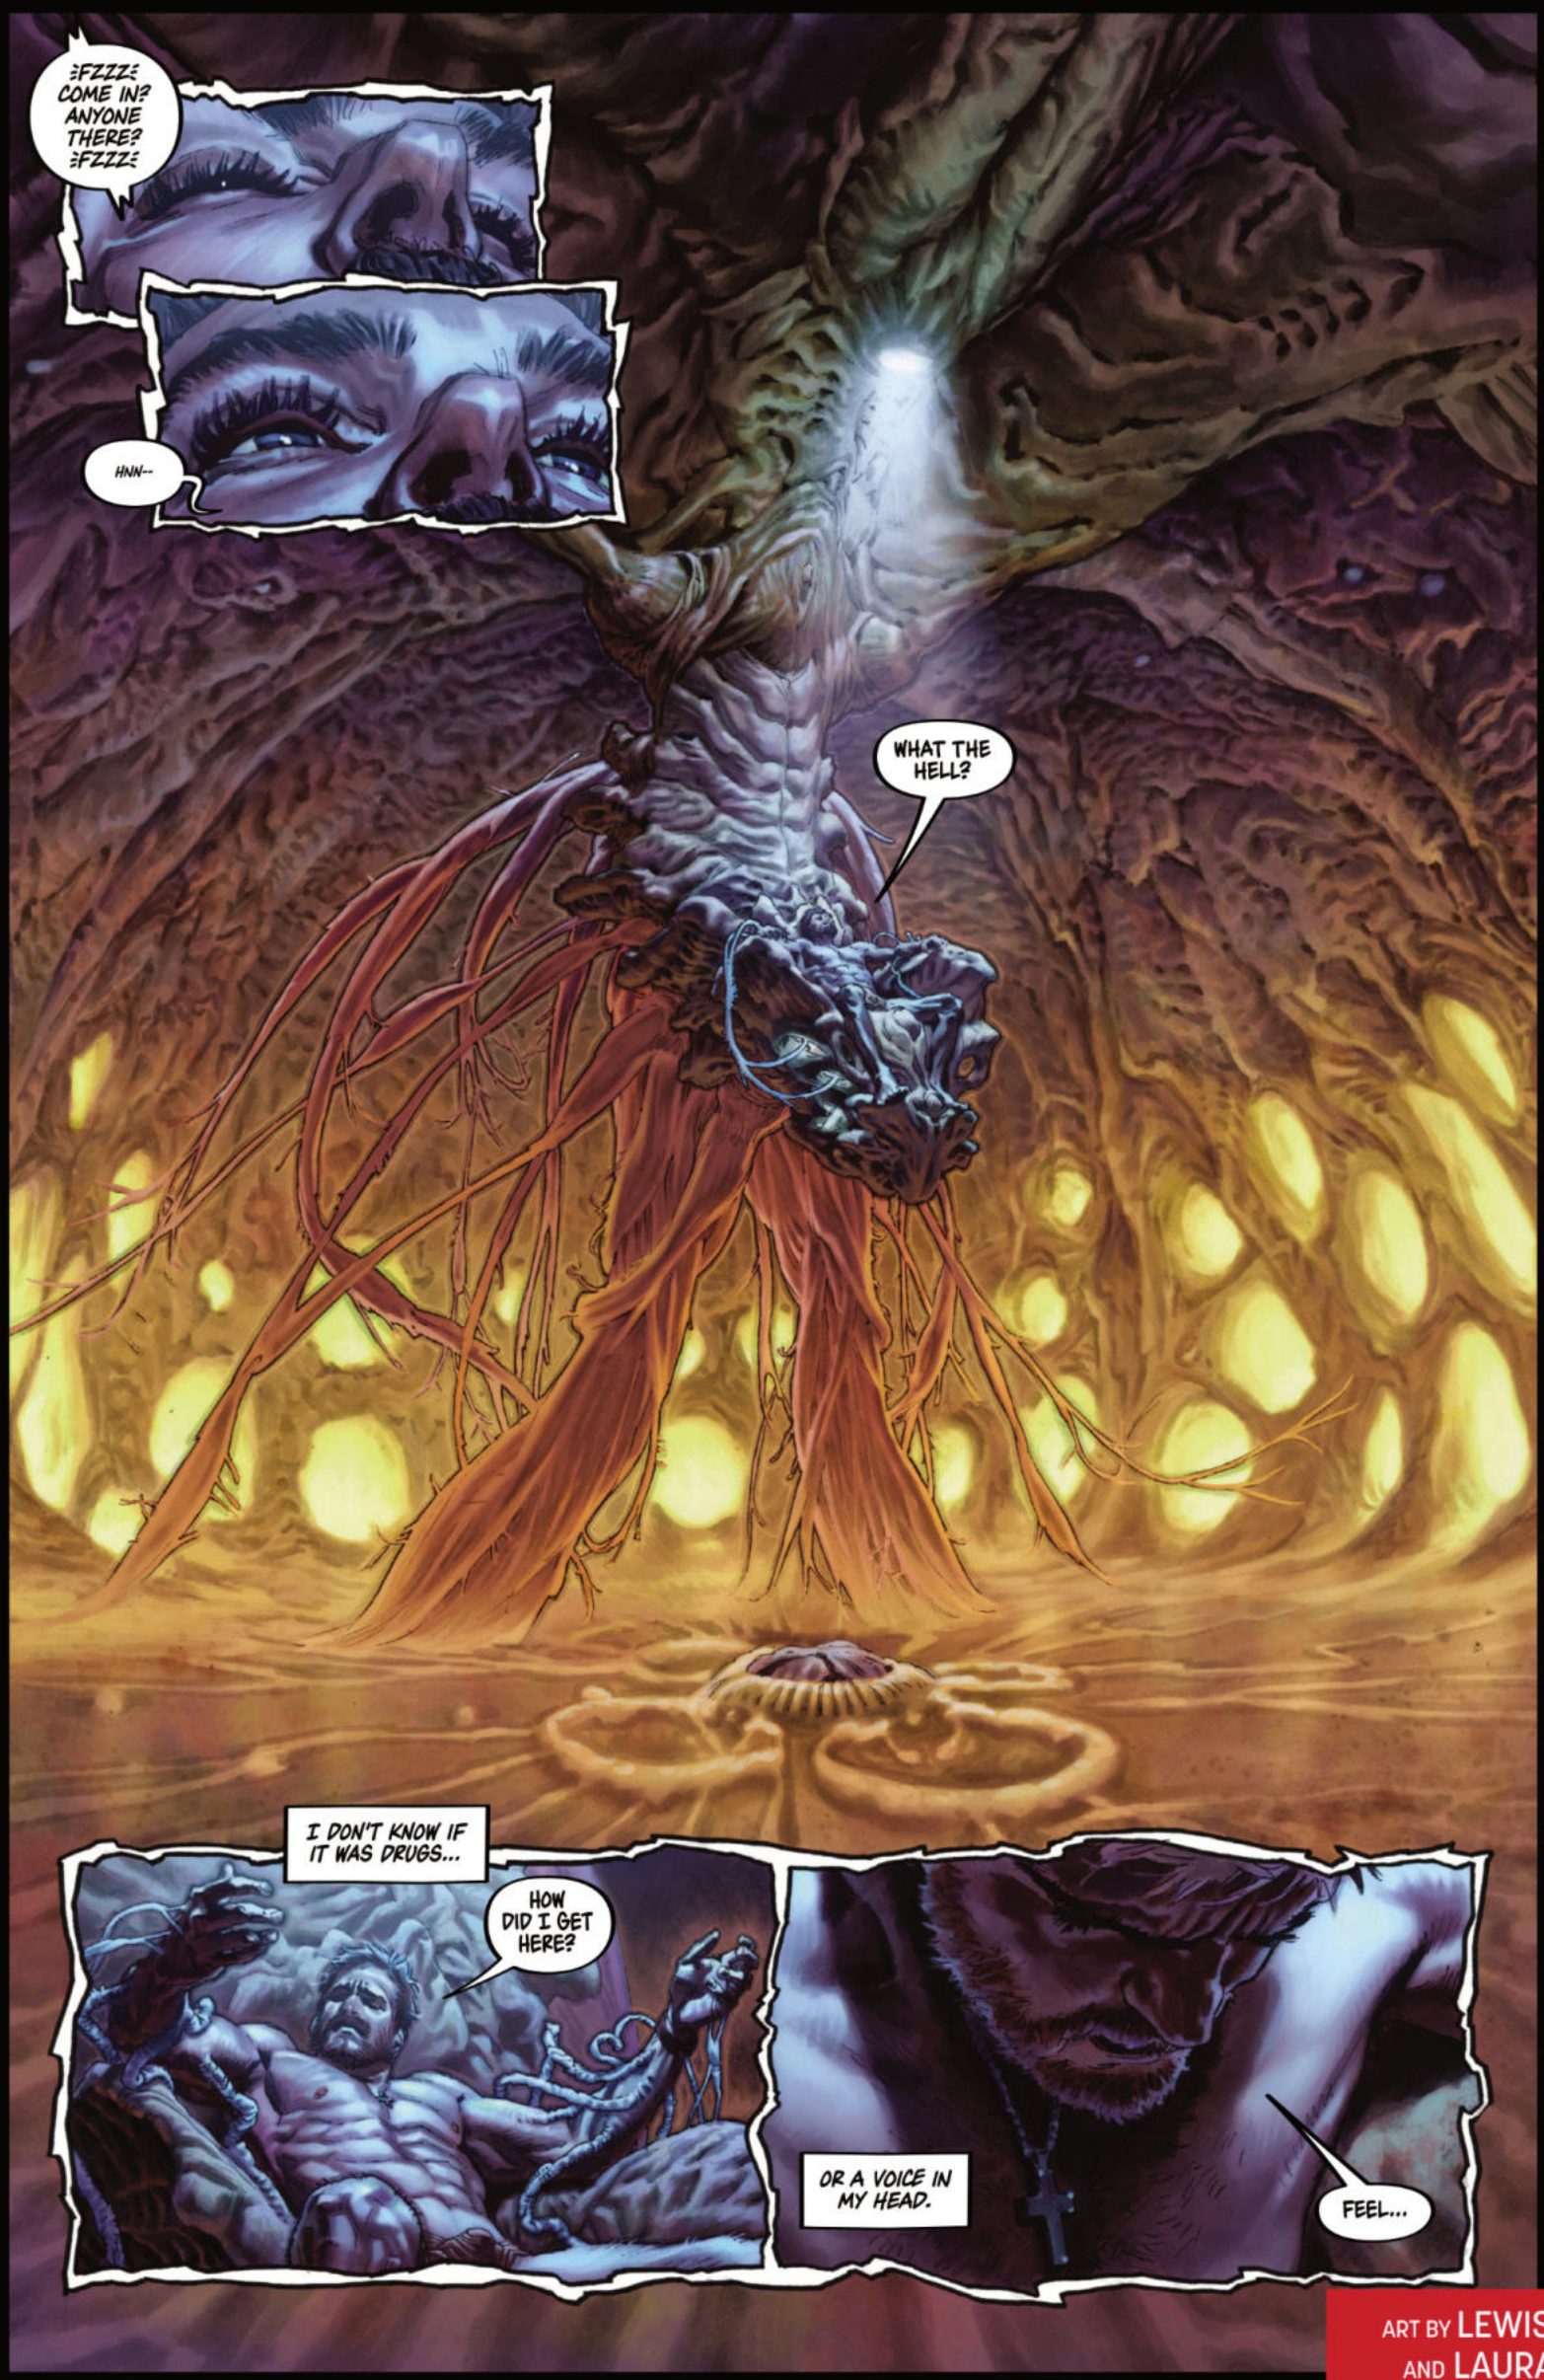

Now, our only hope is Officer Jack Casey, a beat cop scarred by the past, who along with what remains of the breach teams must scale the robot from the inside. If they can reach the head, they can destroy it, but time is running out. The government has scrambled a nuclear response and the world has just learned that a second, bigger monolith is about to impact Earth.

Collecting OLYMPUS SAGA: MEGALITH #0-3 – the best-selling series that redefined the comic book blockbuster event – THE OLYMPUS SAGA: MEGALITH DELUXE EDITION HC features reproductions of every single page of master illustrator Lewis LaRosa's breathtaking black and white art and comes packed with bonus material including designs, process art, sketches, and more!

DEREK KOLSTAD AND ROBERT VENDITTI'S SCI-FI EPIC RETURNS!

Blockbuster screenwriter **Derek Kolstad** — creator and writer of the box office dominating motion picture franchise JOHN WICK — New York Times best-selling writer **Robert Venditti** (SUPERMAN '78, ORDAINED), and artistic visionary **Tomás Giorello** (CONAN THE BARBARIAN) push Corporal Scott to the limit in the next must-read chapter of the massive, best-selling comic book event.

PRISONER OF AN ALIEN WORLD! Corporal Scott faces off against not only the otherworldly hordes of Planet Death but also a band of heavily armed rogue human deserters. When the group stumbles upon a seemingly serene oasis they believe it to be their savoir, but this idyllic paradise is far more than meets the eye.

Scott refuses to stay behind. He must forge ahead to complete his mission and prepares for a last-ditch attempt to breach the walls of the aliens' heavily guarded fortress. Hidden deep within the heart of the command center is the weapon he must destroy at all costs in order to save Earth -- and finally return home.

A NEO-NOIR SCI-FI EPIC

FROM EISNER AWARD-WINNING CREATORS

DAVID AND MARIA LAPHAM

(STRAY BULLETS)

FEATURING COVERS BY COMIC BOOK LEGENDS

LEE ELIAS, ALEX SCHOMBURG & DON HECK

THE SHOCKING CONCLUSION TO THE LAPHAM'S MASTERPIECE!

Eisner Award-winners **David and Maria Lapham** (STRAY BULLETS) bring their mind-bending neo-noir to an explosive conclusion that will redefine the sci-fi mystery as we know it.

Detective Valencia Vallez is running out of time. Trapped in a City filled with detectives but no answers, every lead in the hunt for her husband's killer has only sent her chasing down another dead end. The City cops are closing in, demanding Val turn over the Mastermind behind the murder, while a gang of armed fugitives stalks her every move.

With the walls closing in and nowhere left to turn, Val must do the unthinkable and hijack one of the City's deadly mechanical Judges. Inside Val might finally find the Mastermind... and unlock the answers buried deep within her missing memories.

But Val's learned that in The City, every answer comes with a price. The question is, how much is she willing to pay?

John D Morton is best known for founding the electric eels in Cleveland, Ohio—a violent musical project that could arguably be described as the very first punk band. Other groups followed, such as X__X (pronounced ex-blank-ex), who shared similarities with downtown New York's No Wave movement, which was happening concurrently. After the dissolution of X__X in the late '70s, Morton left Cleveland and moved to New York, where he shifted his focus to visual art, and occupied a burgeoning scene populated with figures such as Basquiat and Keith Haring. This book features examples of Morton's artworks, from this febrile period up to the present, alongside his lesser known and more recent forays into poetry—specifically, experiments in the formats of haiku and tanka.

Collected together for the first time, this selection of works delves into Morton's preoccupations and obsessions: junk culture like B-movies and robots, memories of musician friends such as Anton Fier and Peter Laughner, or even more serious matters surrounding mental health, addiction, and death.

Morton describes himself as a Nihilist—"a sociopath that has taken a course in philosophy," he jokes—and he has the learning and the life to back this up.
–Jon Savage, author of England's Dreaming

At first glance, the Reverend Jesse Custer doesn't look like anyone special—just another small-town minister slowly losing his flock and his faith. But he's about to come face-to-face with proof that God does indeed exist. Merging with a bizarre spiritual force called Genesis, Jesse now possesses the power of "the Word," an ability to make people obey whatever he utters. He begins a violent and riotous journey across the country in search of answers from the elusive deity. But those answers are going to be hard-won—especially considering what Heaven has sent to stop him.

This compact volume is the beginning of the *Preacher* saga, one of the most celebrated comics titles of the late 1990s. Created by writer Garth Ennis and artist Steve Dillon, this modern American epic of life, death, love, and redemption is also packed with sex, booze, blood, and bullets—not to mention angels, demons, God, vampires, and deviants of all stripes—making for one of the most viscerally appealing tales ever to see four-color print.

Y'know, there's been a heap of legends and tall tales about Robin Hood. All different, too. Well, the folks of the animal kingdom have their own version. It's the story of what REALLY happened in Sherwood Forest. In this first chapter of never-told-but-completely-true stories of the world's most famous archer, ol' Robin Hood gets himself in a heap of trouble by breakin' into mean ol' Prince John's castle every day for a week…but nobody can figure out what Robin's been stealin'. And when Prince John finds out what's missin'...wooooooooo boy.

ROBIN HOOD is a romping, uproarious adventure series from Eisner Award-nominated writer NATE COSBY (*Cheetara: Worldbreaker*), *Gargoyles* creator GREG WEISMAN, and illustrator ALESSANDRO RANALDI (*Zootopia*), featuring covers by JOSHUA MIDDLETON, DAVID NAKAYAMA, NATHAN SZERDY, and two of comics' greatest archer-related artists, PHIL HESTER and DAVID AJA!

Fan-favorite animation hero Ben 10 returns in an all-new series, collected here for the first time! When a mysterious meteor crashes to Earth, 10-year-old Ben Tennyson discovers the Omnitrix, a high-tech alien gauntlet of incredible power and potential. With this device on his wrist, Ben has the power to transform into incredible alien forms. But can he control this power?

This is the modern, definitive take on Ben 10 from the team that created him – Man of Action – including the introductions of numerous alien foes in an epic retelling and expansion of his original story, written by JOE CASEY. Then, writer STEVEN T. SEAGLE steps in as things take a turn for the creepy. In a rainy Northwest stop on their endless summer vacation, the Tennyson family is drawn to a circus where the crowds aren't cheering, the clowns aren't laughing, and the ringmaster has plans for a frightful future well beyond his broken big top. Can Ben master the Omnitrix in time to find the right alien to stop the bizarre ZOMBOZO from making Grandpa Max his next death-defying act? Collecting BEN 10 #1 – 5 with a complete gallery of covers.

This collected edition is timed to arrive in stores on **November 4** – the same day as BEN 10 #6!

RED SONJA AND BARBARELLA CROSS PATHS FOR THE FIRST TIME!

RISING STAR WRITER HOMERO RIOS DISCUSSES INSPIRATIONS AND MORE

Homero, RED SONJA / BARBARELLA is your daring Dynamite Debut. You've been building up your career in comics, and a lot of your great stories to date have been published in the legendary *Heavy Metal*. Some of the earliest English translations of *Barbarella* ran in that magazine in the late 1970s. Does this project feel like a bit of a natural jump for you through that lens?

HOMERO: It really does. I spent almost 14 years writing for *Heavy Metal*, and I honestly never stopped to think that Barbarella had already been part of that magazine's history long before I arrived. Once you pointed it out, it felt like one of those strange full-circle moments comics occasionally gives you.

Heavy Metal gave me the freedom to explore science fiction, horror, fantasy, and plenty of stories that lived somewhere in between. Writing *Barbarella / Red Sonja* feels like a natural continuation of that path, although the responsibility is very different. Creating original worlds is one challenge. Stepping into worlds that readers have loved for decades is another thing entirely. That responsibility was exciting from day one.

A lot of your bibliography so far has spanned from science fiction to fantasy and beyond. Now you're juggling two characters that represent both of those spheres. Are there any particular influences you pulled from on the two separately? And how are you approaching those two worlds colliding and/or melding in ways?

HOMERO: One of the first decisions I made was to stop thinking about genres. I wasn't interested in writing "science fiction meets fantasy." I was interested in writing Barbarella and Red Sonja.

For Barbarella, I kept coming back to Jean-Claude Forest's original vision. There's a sense of curiosity and playfulness that makes her fearless in the face of the unknown. She doesn't simply survive strange worlds – she enjoys discovering them.

With Sonja, my starting point was the sword-and-sorcery tradition that goes back to Robert E. Howard, but I was equally drawn to the raw brutality of Kentaro Miura's *Berserk*. Red Sonja trusts experience over optimism, instinct over theory, and she's earned every scar she carries. She doesn't walk into danger expecting answers. She walks into danger prepared to fight her way back out.

Once those two personalities started sharing scenes, everything else became surprisingly easy. I don't think readers remember crossovers because two universes collided. They remember them because two unforgettable personalities did. That's where I wanted the story to live.

We don't want to spoil things for readers, but can you tease us a bit about the plot and how these two heroines actually cross paths here?

HOMERO: Without spoiling too much, I can promise that neither of them expected their days to go in this direction.

Both characters are drawn into a mystery that's much bigger than either of their worlds, and by the time they understand what's happening, turning back is no longer an option.

One thing that mattered to me from the beginning was making sure this never felt like one character visiting the other's series. They're both absolutely essential to the story. They each bring something the other simply doesn't have, and solving the mystery requires both of them to step outside everything they thought they understood.

Diego Yapur is drawing this series alongside you and the rest of the team. Fans have been able to catch a glimpse with his cover for this series since we announced it early. Can you speak to what he's bringing to the table with your scripts so far?

HOMERO: Working with Diego again has been one of the biggest joys of this project.

After *Rome Eternal*, I already knew how talented he was, but every new collaboration reminds me why I enjoy working with him so much. Diego has incredible storytelling instincts. He understands pacing, acting, composition, and he always knows exactly where the reader's eye should be. As a writer, that's a luxury because it lets me concentrate on rhythm, dialogue, and emotion instead of trying to over-direct every panel.

Then Fares Maese comes in with the colors and adds another layer entirely. He gives every environment its own atmosphere while making the transition between worlds feel completely natural.

Watching the script become finished pages is still one of my favorite parts of making comics.

Both Red Sonja and Barbarella are known for a kind of flirty, risqué attitude as characters and in their stories often. How much is that an ingredient in what you and the team are cooking together, or are you playing it more straight with the genre elements?

RED SONJA / BARBARELLA WRITER HOMERO RIOS

HOMERO: I don't think you can separate those qualities from either character because they're part of who they are.

Barbarella's confidence, humor, and sensuality have always been central to her personality. Sonja approaches those same situations from a different place, which made their interactions incredibly fun to write.

For me, those elements only work when they're serving character. The flirtation, the humor, the occasional tension – they all tell you something about the people involved. They're never there just because it's expected.

Honestly, one of my favorite parts of writing this series has been watching Barbarella and Sonja challenge each other. Sometimes they completely disagree. Sometimes they surprise each other. Sometimes they surprise themselves. Those moments became some of my favorites in the entire series.

VAMPIRELLA…IN PARADISE?

FAN-FAVORITE FRANCHISE SCRIBE THOMAS SNIEGOSKI BREAKS IT DOWN!

Tom, you've been putting Vampirella through the ringer in recent years. When you returned to the character again in 2019, you picked up where your original run from the 1990s left off – with her death! Which resulted in an apocalyptic outcome for the rest of Earth. Our last series was called *Armageddon*, and it echoed that tone. Now this book is called Paradise? What kinds of shifts does that portend?

TOM: First off, I'm not getting soft here. I still plan on continuing to put our vampiric heroine through the ringer! When I was conceiving and writing *Vampirella: Armageddon*, I saw the opportunity to bring things full circle, to kind of tie up the continuing plot thread that had run through all my Vampirella writing since the nineties. It was daunting to think of, but at the same time kind of exciting because I wasn't 100% sure how I was going to accomplish this, but as I wrote things started to present themselves and I took full advantage. The title alone – *Vampirella: Armageddon* – was my chance to really shake things up...Armageddon, the final war between the forces of

VAMPIRELLA ® & © 2026 Dynamite Entertainment. All Rights Reserved.

light and darkness! But with final, apocalyptic battles, there comes an ending, and this is where I saw the potential for something new. I thought to myself that after all Vampi has been through, all the trials and tribulations, the violence and the tremendous loss, what if "somebody" decided to cut her a break? What if somebody decided to reward her for all that she has done, all that she had endured? That's the origin of the title *Vampirella: Paradise*, but there's way more going on than you may initially think.

We're guessing things are not quite as rosy as they seem... And we hear that both the Mad God of Chaos and the fan-favorite Blood Red Queen of Hearts are back on the scene ready to continue their corruption and torment of the Daughter of Drakulon. You've actually not tackled the latter rogue as much as one might think. Do you have favorites in Vampirella's cast or foes, and any others you feel you haven't had your full say with to date?

TOM: I love the villains from the old run, there's a real nostalgic fun in using them and putting my spin on them as characters. But, at the same time, I really enjoy coming up with new bad guys for her to encounter. I don't think I've done that quite enough lately and have decided to put my thinking cap on and come up with some really new and creepy baddies going forward. Sure, you'll have the tried and true villains that you love to hate, but there definitely will be some new villainous characters coming up in Vampi's not too distant future.

Armageddon artist Edu Menna continues his ongoing run with you, re-upped for the next chapter. You've worked with a deep bench of talented artists through your time with Vampi. What makes Edu a great match for these latest tales?

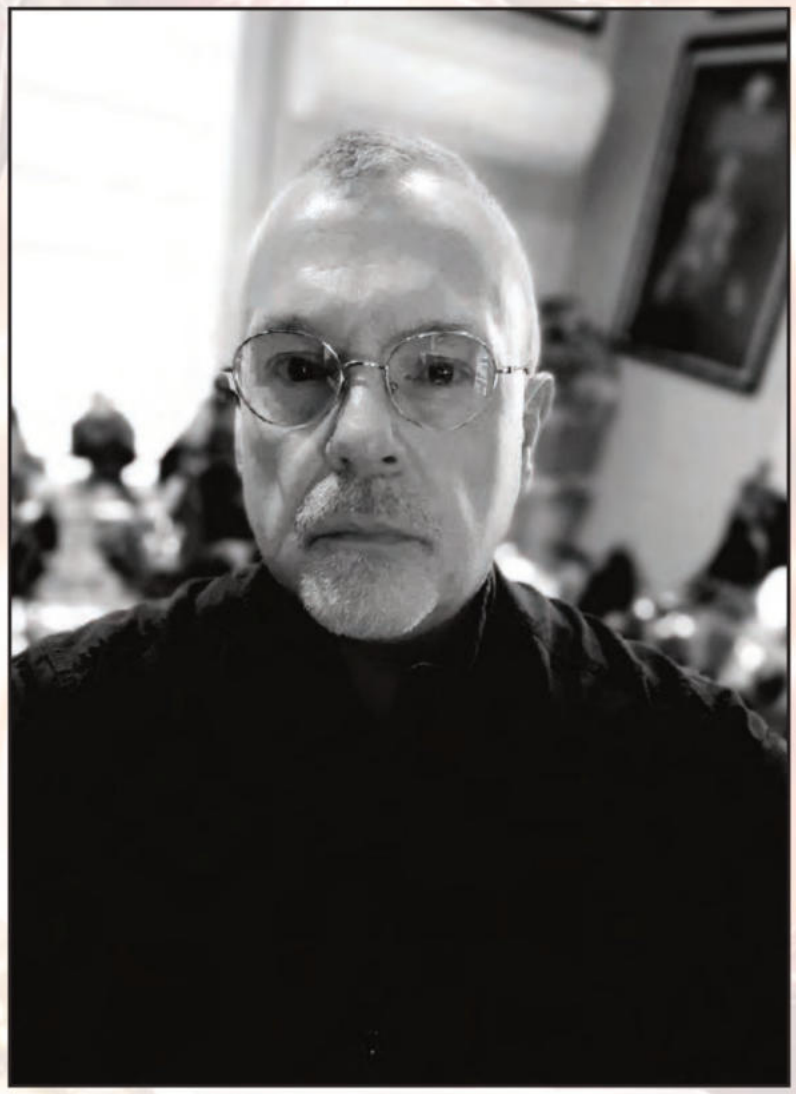

TOM: Edu is amazing! I've worked with all sorts of fantastic artists, and the thing I love is that each of them brings their own special look and identity to the title. When I see their work for the particular series, I try and shape the story to fit their styles, and Edu is just knocking it out of the park. I think we're getting a Vampirella series that really doesn't look like any of the others that I've written. Edu's work reminds me of the black and white magazine material from the original Vampirella run in the 70's. It's really striking.

We love bringing this up when we check in to get your reaction. You're just barely short of coming up on 120 issues of chronicling Vampirella. We've even been doing some top secret work internally and looking back at your original Harris era with you... Does it feel as natural as breathing at this point? And what helps you still keep it a blast for yourself and the readers?

TOM: It always amazes me how much Vampirella I've written. She's been part of my professional writing career for basically as long as I've had a professional writing career! I don't think I ever really expected to have the kind of relationship I have with her. Initially, way back when in the '90s, I thought I would write her for a bit and move on, but the more I wrote her, her world, and the many characters that she interacts with, I found a nearly never-ending source of material. Just when I think I might be done, she pokes me in the brain and says, "What if we did *this?*" I love the opportunity to come up with new stories that continue to excite me, and hopefully excite fans. I know I've said this before in other interviews, but writing Vampirella brings me great comfort. It's like slipping into a nice warm sweater on a really cold day.

On that note, we got the chance to announce this series in person for panel goers at San Diego Comic-Con with you there. Though dedicated readers caught the tease at the end of Armageddon of course. How was it connecting with some readers at the show?

TOM: I think I piqued their interest/curiosity when I talked about bringing things to an end that I started in the 90's with *Armageddon* so that I could bring about a new beginning for the character with *Paradise*. They have no idea what they're in for!

SPECIAL MANGA STYLE ISSUE!

Reeling from the effects of her therapist's prescription medication, Vampirella enters a world of her own creation combining ancient tradition with political futurism. When the benevolent king of mystical Escala is murdered, Vampirella must honor the tradition of *wüde* –"Martial Virtue," the warrior's ethical boundaries of respect, honor, and humility – to take responsibility for the crime, even if it forces her to hunt down the man she loves.

This wild and exotic departure from Vampi's normal continuity is being presented in the Manga tradition, with the book reading from back to front and panels flowing from right to left. In addition to a new stunning cover by fan favorite Lucio Parillo, Vampirella #8 will also feature the talents of Derrick Chew, Joseph Michael Linsner, Elias Chatzoudis, and cosplay by Rachel Hollon and Dilemmatown, as well as special back cover art by Nishi Lee (*Destiny NY*, *Teenage Mutant Ninja Turtles*).

Written by series regular CHRISTOPHER PRIEST and introducing exciting newcomer ZIYAN QIU on art, this **MANGA STYLE** issue will run **right to left** and in **black and white** with color accents!

CRITICAL ACCLAIM FOR VAMPIRELLA

"[Christopher] Priest shows just how he's an expert at the craft and what magic can be created by trusting your artist. Whether you're a longtime fan or a reader just wondering where to start, this book is perfection personified. An absolute bona fide standout..." –Nerd Initiative

"A strong, stylish, character-driven launch that leans into family dysfunction, visual storytelling, and emotional unease instead of playing it safe. Christopher Priest is still out here reminding folks why veteran creators matter, Davis Goetten brings the cinematic punch, Giovanni Caputo adds atmosphere and elegance, Willie Schubert keeps the machine humming, and Dynamite deserves a nod for continuing to let this corner of the line stay bold, weird, and alive." –Comic Crusaders

THE ULTRA POWER MONGOL INVASION

By Kago

An epic alternative history of colonization and industry—as only the zany, bizarre, and grotesque mind of Kago could dream up!

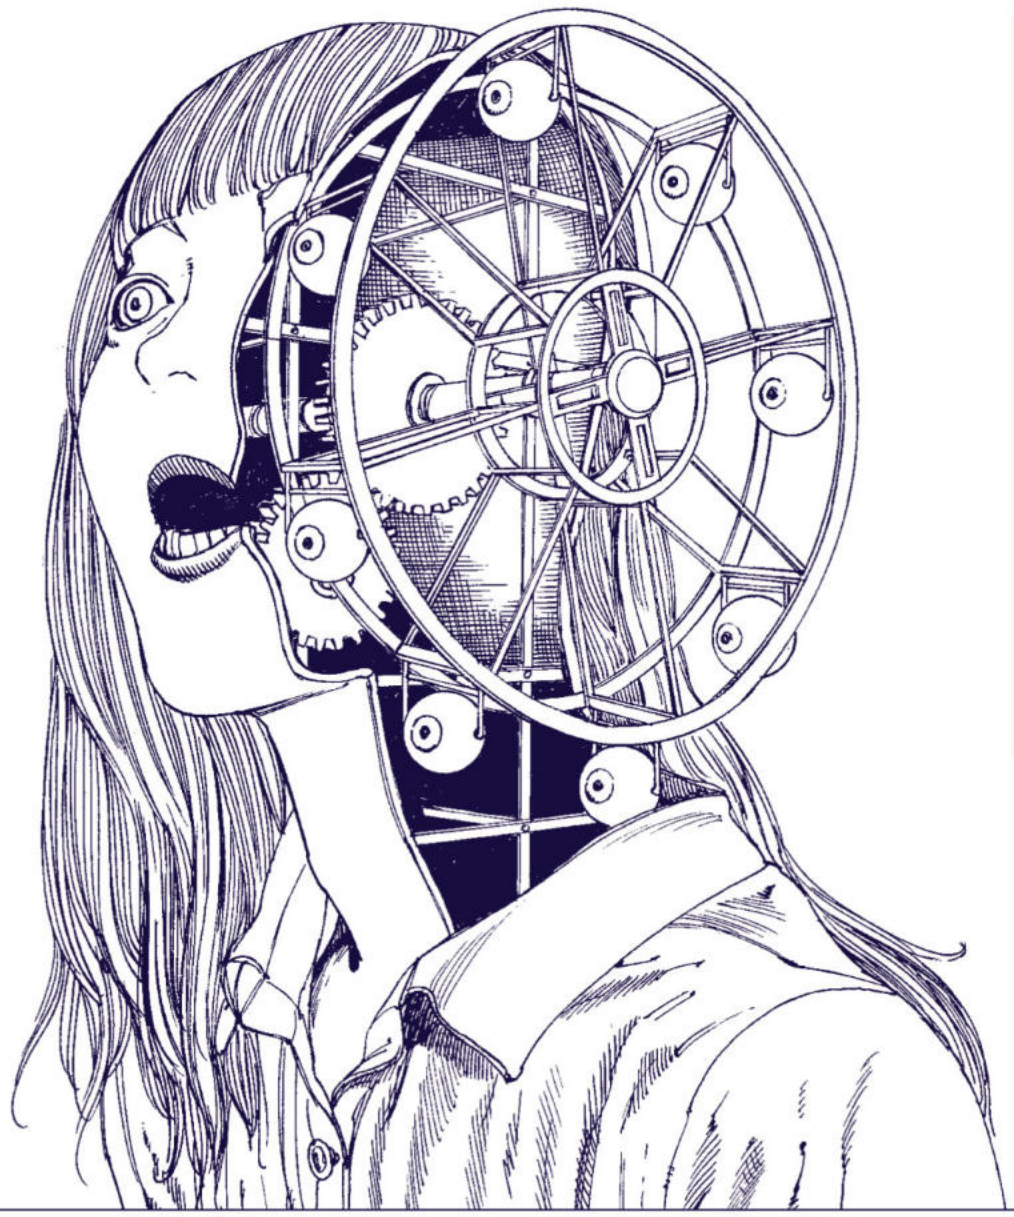

In Shintaro Kago's vision of history, Genghis Khan's empire was not built by soldiers and warhorses — but rather the animated severed hands of giants! From there, the history escalates at a fever pitch, as the demand for these giant hands sweeps across Asia and Europe and become indispensable for modern life as transportation, labor, power. In time, the hands mutate into other limbs and body parts and are utilized for far more destructive and sinister purposes as the world descends into a hyper capitalist, war hungry hellscape.

From the bestselling and Eisner award-winner mangaka of *Dementia 21* and *Brain Damage* comes a vicious satire of humanity's relentless greed infused with the gleeful body horror, visceral detail, and off-the-wall antics that have delighted and disgusted Kago's readers.

THE ATLAS CREATOR COLLECTION NO. 4: BERNARD KRIGSTEIN: THE COMPLETE ATLAS STORIES

By Bernard Krigstein
Edited by Dr. Michael J. Vassallo & Greg Sadowski

The latest volume in our Fantagraphics Atlas Creator Collection presents every single story drawn by the legendarily innovative artist in glorious and impeccably restored black and white.

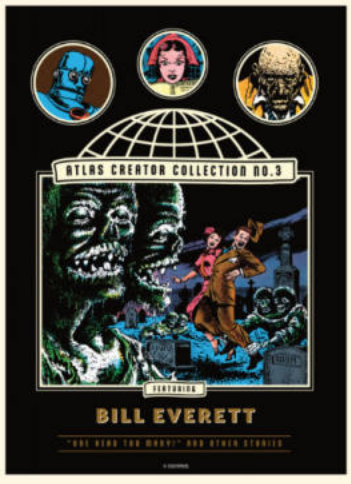

While Bernard Krigstein's groundbreaking work at EC Comics has been reprinted numerous times, his substantially larger output for Atlas has been unfairly neglected. The 78 stories in this volume — the vast majority restored from original photostats — will fully rectify that oversight and provide a greater understanding of the achievement of this often-misunderstood graphic-storytelling pioneer.

Krigstein was the only Golden Age artist with a Bachelor of Fine Arts degree, and he approached the black-and-white idiom of comics from the perspective of a student dissecting the drawings of the old masters — in this case those old masters included Jack Kirby, Mort Meskin, Alex Raymond, Jerry Robinson, and many others. Already a seasoned comic book veteran when he arrived in mid-1951, Krigstein's two-year tenure at Atlas can be seen as a vital bridge to his artistic maturity. Story by story, page by page, he stretches and refines the Atlas house style expected of its artists to its outer limits, then defies that convention to forge the personal aesthetic he'll continue to refine at EC.

After EC's collapse in 1956, Krigstein returned to Atlas to create his final body of work in comics: 29 short-form experiments demonstrating the infinite possibilities inherent in the art of graphic narrative. "I used them as a medium for dramatizing the breakdown technique, to show the limitless ways that a comic book story could unfold. I wanted to show that the form was fluid and dynamic and should not be considered a static form." Guest editor and Krigstein biographer Greg Sadowski's introductory historical essay traces the arc of Krigstein's development and his efforts to elevate the stature of a medium that was dismissed as disposable juvenile escapism.

BEDFORD STREET

By Ross Murray

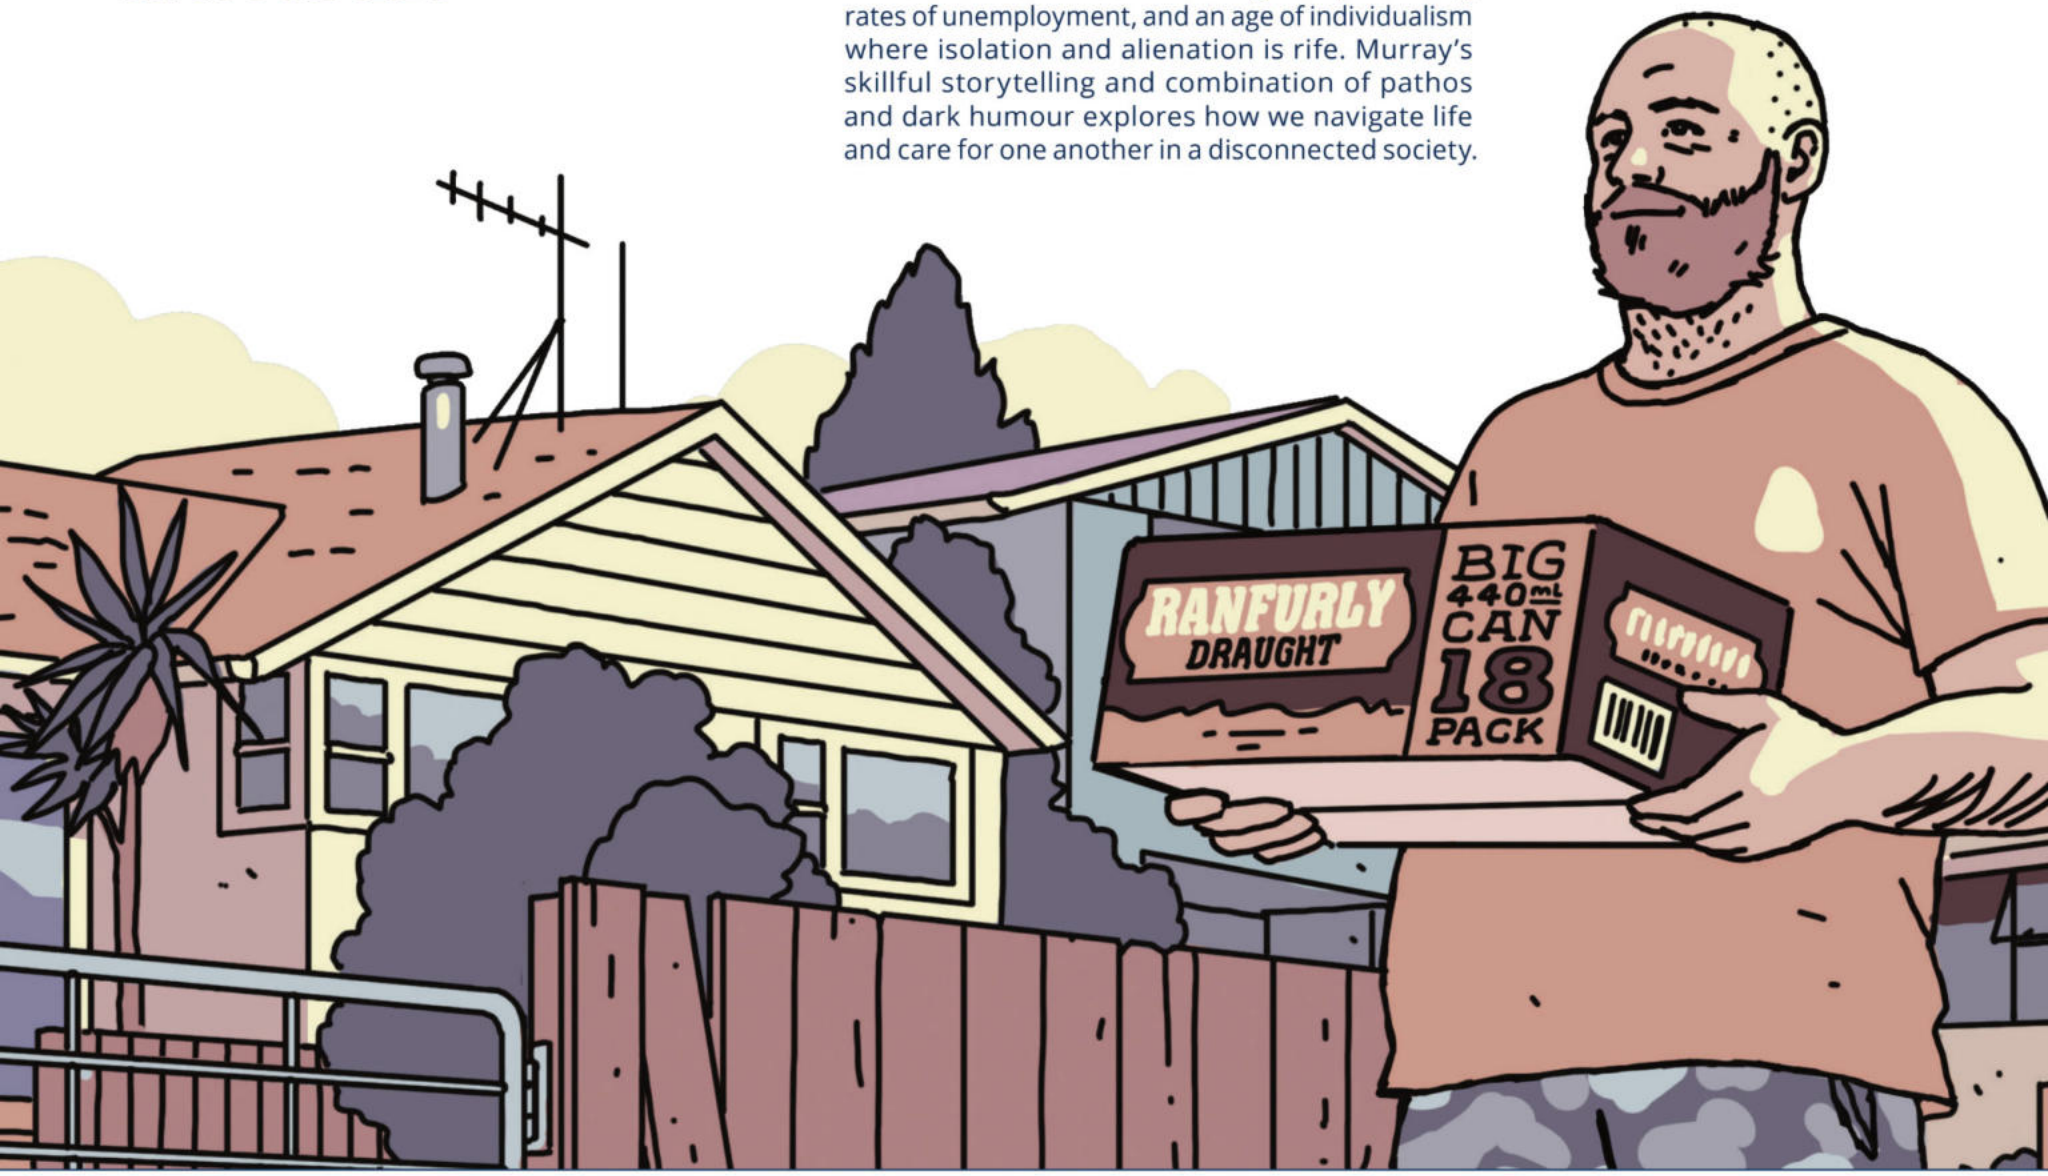

An Altman-esque, darkly comic exploration of social decay, hardship, recklessness, and isolation composed of loosely interwoven stories of different sets of characters living on the same street.

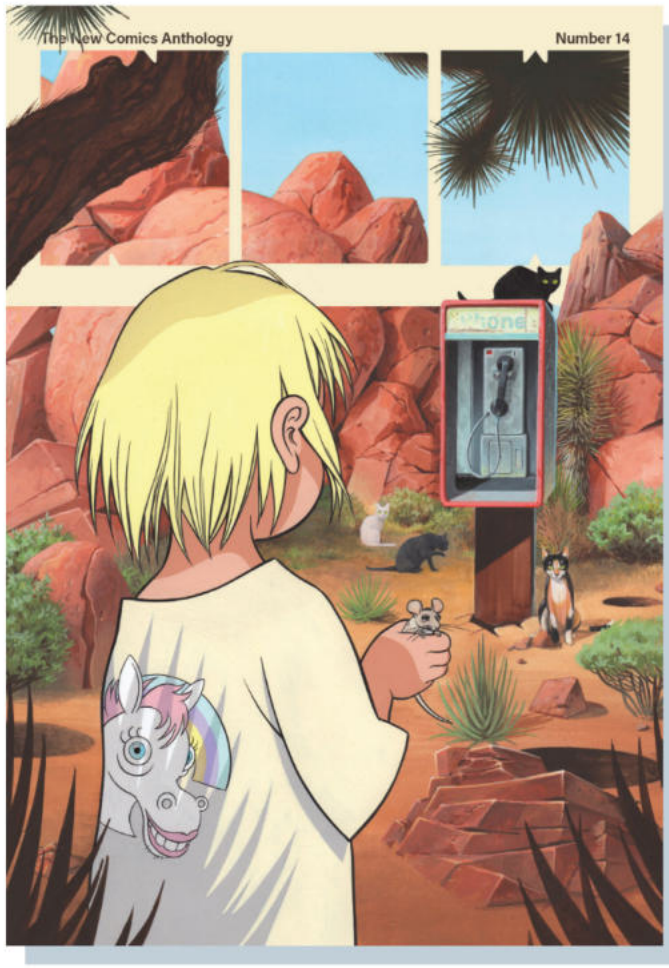

An alcoholic beneficiary is tasked with looking after his teenage son for a weekend. A nurse is faced with a violent altercation after her late-night shift. A single mother struggles with the sudden onset of crippling back pain while trying to keep her drug-addicted former partner at bay. A homeless man tries to readjust to life on the outside after a period of incarceration. A young father succumbs to boredom and lust.

These are some of the lives of the inhabitants of Bedford Street, an all-too-familiar place where those at the less fortunate end of the ever-widening spectrum of inequality reside. People leading modest lives in challenging circumstances where disenfranchisement is high and a sense of community is low. All packed together and teeming with a chaotic energy, some submitting to their worst impulses, others trying their best despite it all.

Bedford Street forms a mosaic image of lives lived in the maelstrom of a cost-of-living crisis, increasing rates of unemployment, and an age of individualism where isolation and alienation is rife. Murray's skillful storytelling and combination of pathos and dark humour explores how we navigate life and care for one another in a disconnected society.

NOW #14: THE NEW COMICS ANTHOLOGY

Edited by Eric Reynolds

The multiple Eisner and Ignatz Award nominated comics anthology returns with its biggest issue yet! A perfect survey of the very best in contemporary art/lit comics from around the globe.

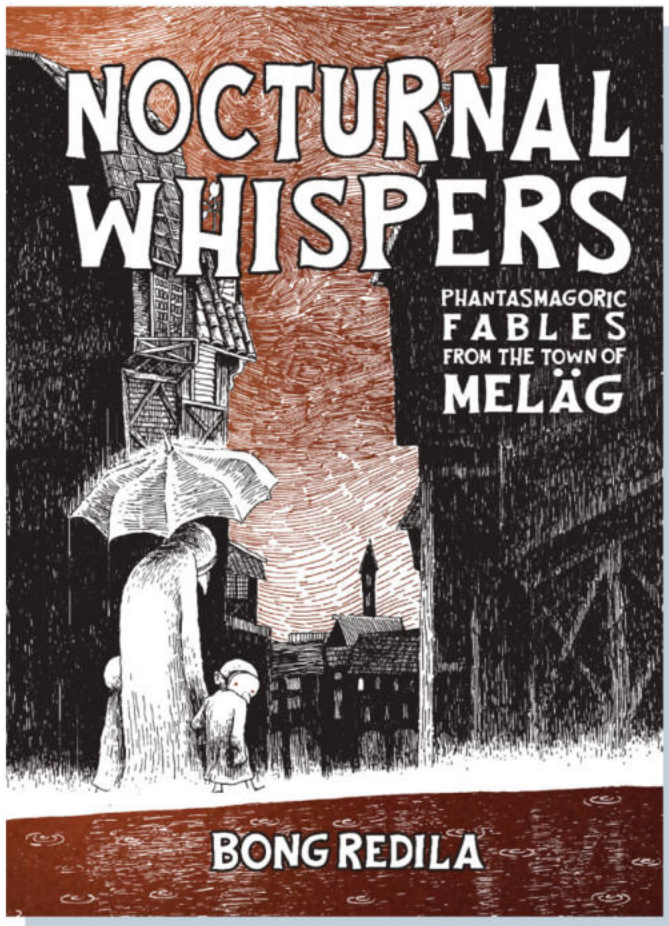

This first new *NOW* of 2026 features work from several contributors familiar to *NOW* readers as well as others appearing in the magazine for the first time. Under an original cover by gifted Portland cartoonist Soph Franz, Kayla E. (USA) returns to *NOW* with an all-new memoir comic, hot on the heels of *Precious Rubbish*, her acclaimed 2025 graphic novel debut. *NOW* familiars Roman Muradov (Armenia), Josh Simmons (USA), Steven Weissman (USA), Maggie Umber (USA) and Stacy Gougoulis (Australia) are back, while Los Angeles artist Scott Marvel Cassidy contributes his first new comics since 2024's acclaimed graphic memoir *Hogbook and Lazer Eyes*. In "Dear Phony," Cassidy processes/confronts his own OCD in a surrealist/absurdist work worthy of and owing a debt to the works of Alfred Jarry as well as Vivian Stanshall's Sir Henry at Rawlinson's End. Meanwhile, Swedish cartoonist Iris Hautaniemi makes her *NOW* debut, while small press legend Zak Sally contributes a heartfelt meditation on youth and aging. All this, plus many other surprises.

NOW: The New Comics Anthology is, every issue, a self-contained cross-section of the best short comics stories the globe has to offer. The series has established itself as the preeminent anthology of first-rate international comics talent. With all-new, never before-seen material from a mix of emerging and established talent, *NOW* is the perfect answer to the question, "Why Comics?"

NOCTURNAL WHISPERS: PHANTASMAGORIC FABLES FROM MELÄG

By Bong Redila

This haunting, nostalgic collection of short comics by Filipino American illustrator and author Bong Redila is at once an homage to childhood and a simple wish that tomorrow everything will be fine.

Welcome to Meläg. Located somewhere between dreamland and the real world of Redila's childhood hometown in the Philippines, this eerily fantastical town is where love, joy, and heartbreak hold hands. Here, a father builds a clunky wooden robot for his daughter to dance with at her wedding; a little boy rubs a mystical lamp and wishes only for a jar of sugar; a little girl finds a magical box and soars over the treetops in her tricycle; a man waits at the bus stop each day for years for his soulmate to arrive. Slices of life at turns tender and tragic that cast a kind eye toward the misunderstood and different among us.

Filipino American cartoonist Bong Redila first introduced readers to *Meläg* in 2022, and this new edition expands and deepens his enchanting vision with over 150 pages of new material. Drawn in a spidery, Edward Gorey-esque pen-and-ink style, this charming collection will transport readers of all ages.

THE ABYSS OF OBLIVION

By Paco Roca & Rodrigo Terrasa

This powerful historic graphic novel highlights Spain's haunted past, small acts of resistance against fascism, and the dignity of the departed.

In the years following the Spanish Civil War, tens of thousands of Spanish civilians were unjustly executed by the brutal Franco regime. One of these poor men was José Celda, who faced the firing squad in 1940 and was buried in a mass grave in Valencia. Over seven decades later, his daughter Pepica, through years of persistence, convinces the government to exhume his grave and restore his dignity.

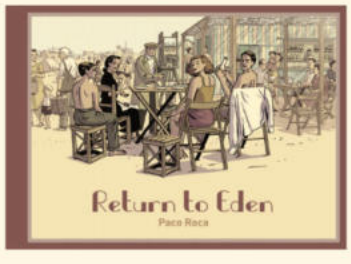

Amidst Pepica Celda's personal battle against oblivion, she discovers the crucial role of Leoncio Badía. The local gravedigger during those tumultuous years, Leoncio risked his life to help the widows of those killed in the war and after to identify their late husbands' bodies, record the location of their graves, and hide messages among their remains for future identification. Small acts of kindness and humanity that gave hope in a bleak era.

A powerful collaboration between the award-winning cartoonist Paco Roca and notable journalist Rodrigo Terrasa, *The Abyss of Oblivion* is a vital work of historical memory.

SHERLOCK TIME

By Alberto Breccia & Héctor Germán Oesterheld

The first collaboration between the legendary creative duo of Oesterheld and Breccia is an SF crime/adventure serial in which a mysterious figure saves Argentine retiree Julio Luna when a too-good-to-be-true real estate deal ... is. Together, they travel through time and space, solve supernatural crimes, investigate cursed objects, and more!

In 1958, established Argentine comics creators Héctor Germán Oesterheld and Alberto Breccia worked together on their first significant series. In *Sherlock Time*, retiree Julio Luna buys a beautiful home for much too good a deal. There have been strange disappearances, but the trap is far stranger than a simple haunting in San Isidro. Fortunately for Luna, a mysterious man saves him in the nick of ... *Sherlock Time*! The two team up and star in these episodic adventures, ranging from SF to horror to mystery, ran concurrently with Oesterheld's legendary comics serial *The Eternaut*, and set the stage for their masterpiece, *Mort Cinder*. Of *Sherlock Time*, Argentine author Juan Sasturain (who also wrote *Perramus*, which Breccia would go on to draw) concluded: "rarely has a story made us so fully happy."

BY GEORGE! THE COMIC ART OF GEORGE MCMANUS

By George McManus
Edited by Peter Maresca with essays by Joost Swarte, Paul C Tumey, Eike Exner

The definitive collection of comics and illustrations created by George McManus, the world-famous creator of *Bringing Up Father* and one of history's most popular comic strip artists. This book covers the artist's work from 1901 to 1950.

$100.00 | HC | 168 pgs
Full Color | 13" × 19"
ISBN 979-8-8750-0280-9

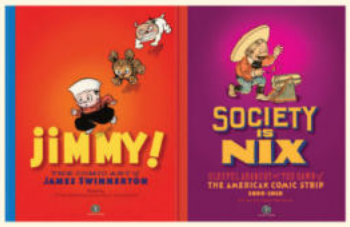

"By George" is a 500-year-old exclamation used to express astonishment; a euphemism to avoid naming a divinity. A fitting title for this collection of classic comic art — both astonishing and, in its own way, divine. In 1913, George McManus was already a successful cartoonist with over a dozen hit comic strips to his credit. That year saw the debut of his signature creation, *Bringing Up Father*, soon to become an international sensation — the most popular comic strip in the world. In 1918 it appeared as a Sunday feature in full color, full-page splendor that is now, along with the artist's earlier works, recreated by Sunday Press.

This volume displays the long career of George McManus, from his early days as an artist for the St. Louis Republican, to his ground-breaking work for Joseph Pulitzer and William Randolph Hearst in New York. Early features like *Panhandle Pete* and *Nibsy the Newsboy* show McManus as one of the "Founders of the Funnies." With *The Whole Blooming Family*, *The Newlyweds/Their Only Child*, he pioneered the type of family-humor comic strip that led to the sitcoms of radio and television. This form reached a peak with the battling (yet loving) spouses, Jiggs and Maggie in *Bringing Up Father*.

The story behind the over 150 strips found in this collection is related in detail by historian Paul C. Tumey in his detailed biographical introduction. McManus and his wife, even more so than his characters, were the toast of society, both at home and abroad, which added to his fame and the popularity of the strip. The book's foreword by internationally renowned cartoonist and designer Joost Swarte offers an appreciation and a description of the important influence of McManus on European artists, including *Tintin*'s Hergé. Educator and historian Eike Exner chronicles McManus's Asian connection as one of the main American influences in the development of Manga. Completing this comprehensive volume are photographs, illustrations, and memorabilia highlighting the long career of one of the world's greatest cartoonists — making his readers laugh at his characters (and themselves) for over half a century.

McManus has a well-deserved place in the pantheon of American cartoon artists, but never has had a comprehensive collection of his work. Now, *By George*, here it is!

HAL FOSTER'S PRINCE VALIANT SKETCHBOOKS: AN ILLUSTRATED MEMOIR VOLUME 3

By Hal Foster, series editor Brian M. Kane

The third volume of this six-part collection of annotated, never-before-seen sketches by *Prince Valiant* creator Hal Foster continues the series' project of revealing in intimate detail the act of creating this landmark comic strip.

Part sketchbooks, part biography, part tutorial, part memoir — *Hal Foster's Prince Valiant Sketchbooks* are an unprecedented revelation of Foster's personal life and creative process during his final nine years on the strip, as well as a fascinating look behind the curtains as Foster coached and interacted with his chosen successor: John Cullen Murphy. Beautifully, meticulously designed and produced with the full participation of the Murphy family, this series is a testament to author and Prince Valiant historian Brian M. Kane's research prowess and determination to bring Foster's aesthetic and storytelling strategies to light.

Over the course of these volumes, Kane annotates with painstaking clarity and thoroughness 366 penciled layout pages, 40-character sketches, and 577 text pages of Foster's descriptions of each panel. Also featured are an additional 143 pieces of art, mostly by Foster, 100 photographs detailing his life and career, and 123 personal letters and notes, all adding immeasurably to this exploration of Foster's life and art, as well as his collaboration with Murphy.

Now readers can experience the whole story in one hilarious and heart-wrenching volume, exposing the absurdity of the fine art world as experienced by a young artist. Anna Haifisch's idiosyncratic, episodic comic chronicles the formative years of a young artist, satirising the exclusive, ephemeral and absurd world of fine art with all of its arcane protocols and quirks. Plagued by doubts and anxiety, the artist confronts constant setbacks and tantalizingly occasional glimpses of success. Based on Haifisch's own experiences as an illustrator in both Germany and the USA, The Artist is a sharp and self-deprecating comedy that will resonate with anyone who has ever tried to make art. In The Artist, Haifisch has exposed the very nerves of what it means to be an artist in a world of ever shifting rules and complications, to hilarious and insightful ends.

TROVE

Written and Illustrated by **Danie Stirling**

Jules and Ness have always had Trove. The block-buster fantasy book series brought them together, fueled their epic sleepovers, and made them inseparable. But everything changes when Jules reveals she's moving away, and the Trove Sleepover Club will officially be over.

As if that weren't devastating enough, the girls learn that the series' author is retiring without finishing the long-awaited seventh and final book. Jules is ready to let go, but Ness refuses to give up hope. When a mysterious message hints at the existence of the missing manuscript, Ness convinces Jules to join her on one last adventure: a trip to FabuCon, the ultimate Trove fan convention.

There, among cosplayers, panel lines, and screaming superfans, the girls must prove themselves true fans. Along the way, Jules and Ness discover that the real challenge isn't just saving their favorite series, it's figuring out whether their friendship can survive the changes ahead. With humor, heart, and an irresistible love of fandom, Danie Stirling's *Trove* is a story about holding on, letting go, and the stories that bring us together.

I'm not!

But you should see my hands–

They're *shaking.*

Hah, I know what you mean!

I can feel my heartbeat in my eyeballs.

Book six, *finally!*

Until I'm done–

I'm not even going to *blink.*

Staring contest with book six?

Count me in.

On three, then?

On three!

One...

Two...

Three.

The great tradition of Trove Sleepover Club–

Founded in a time beyond memory...

(Middle school, that is).

Come *on*...

This isn't *fair!*

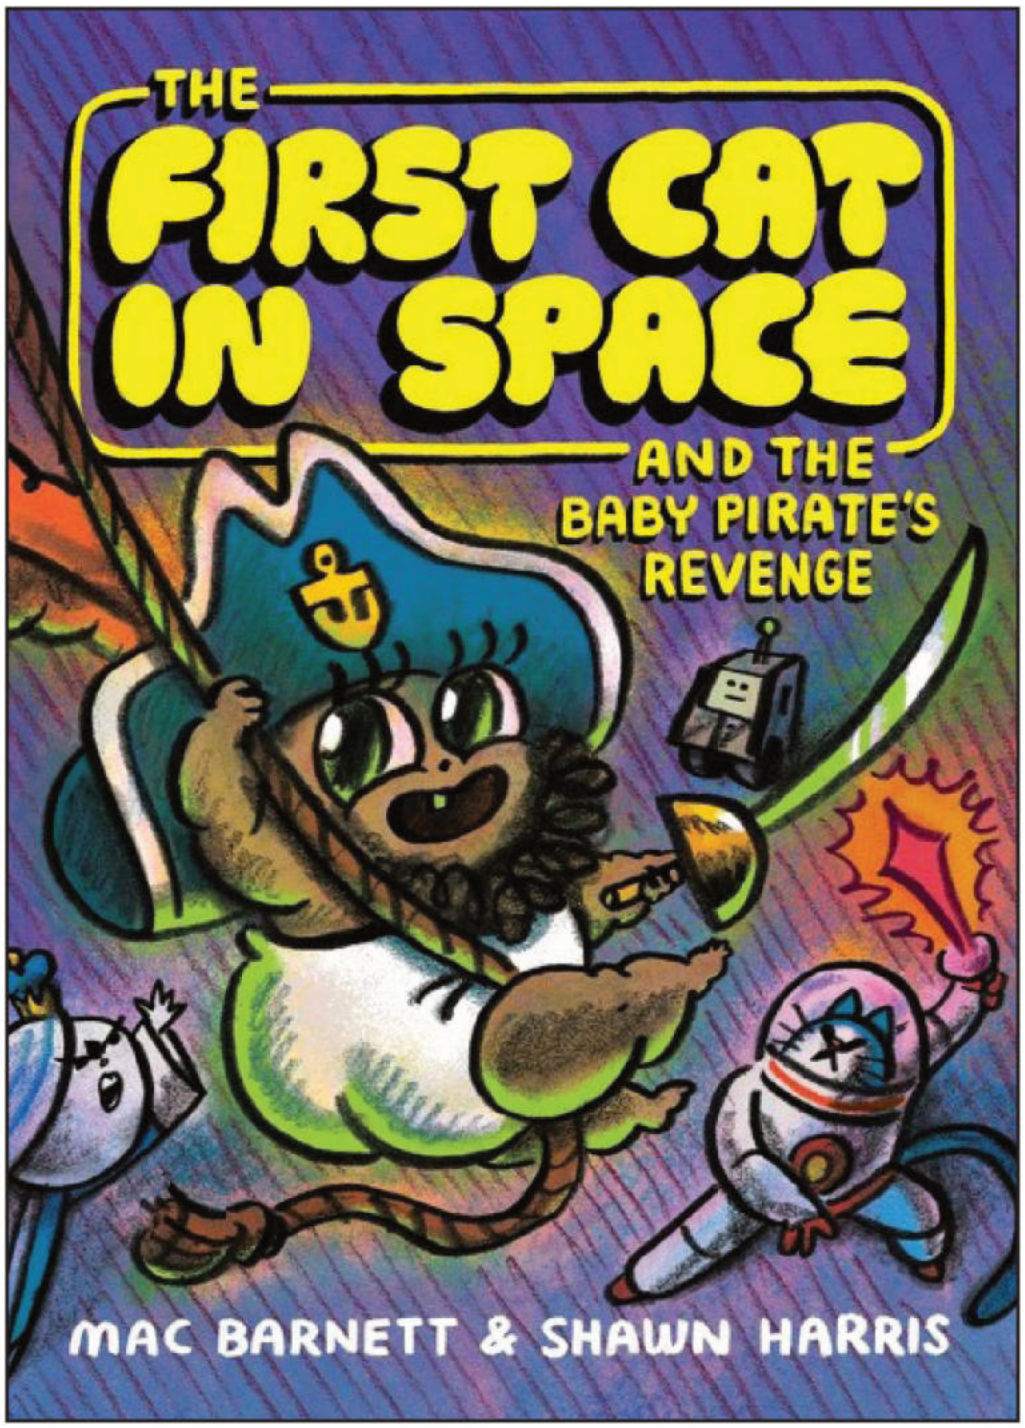

It's my turn!

You got to be partners on the science project.

And you promised we'd work together next time.

It's next time *now.*

We're standing at the entrance to the Wandering Cities!
Nobody else even believed me that they were real!
Pshh.
It was your idea, Erik.
All I did was piece together a map.
A map of a legend.
What, are you tired of me saying you're a genius?
Because I'm not tired of saying it yet.
IF you think I'd take a single step inside without you—
You're dreaming.
...it's got a better ring to it than
"If you'd just apply yourself."
So I guess I'm not tired of it yet.

THE FALL OF NÚMENOR

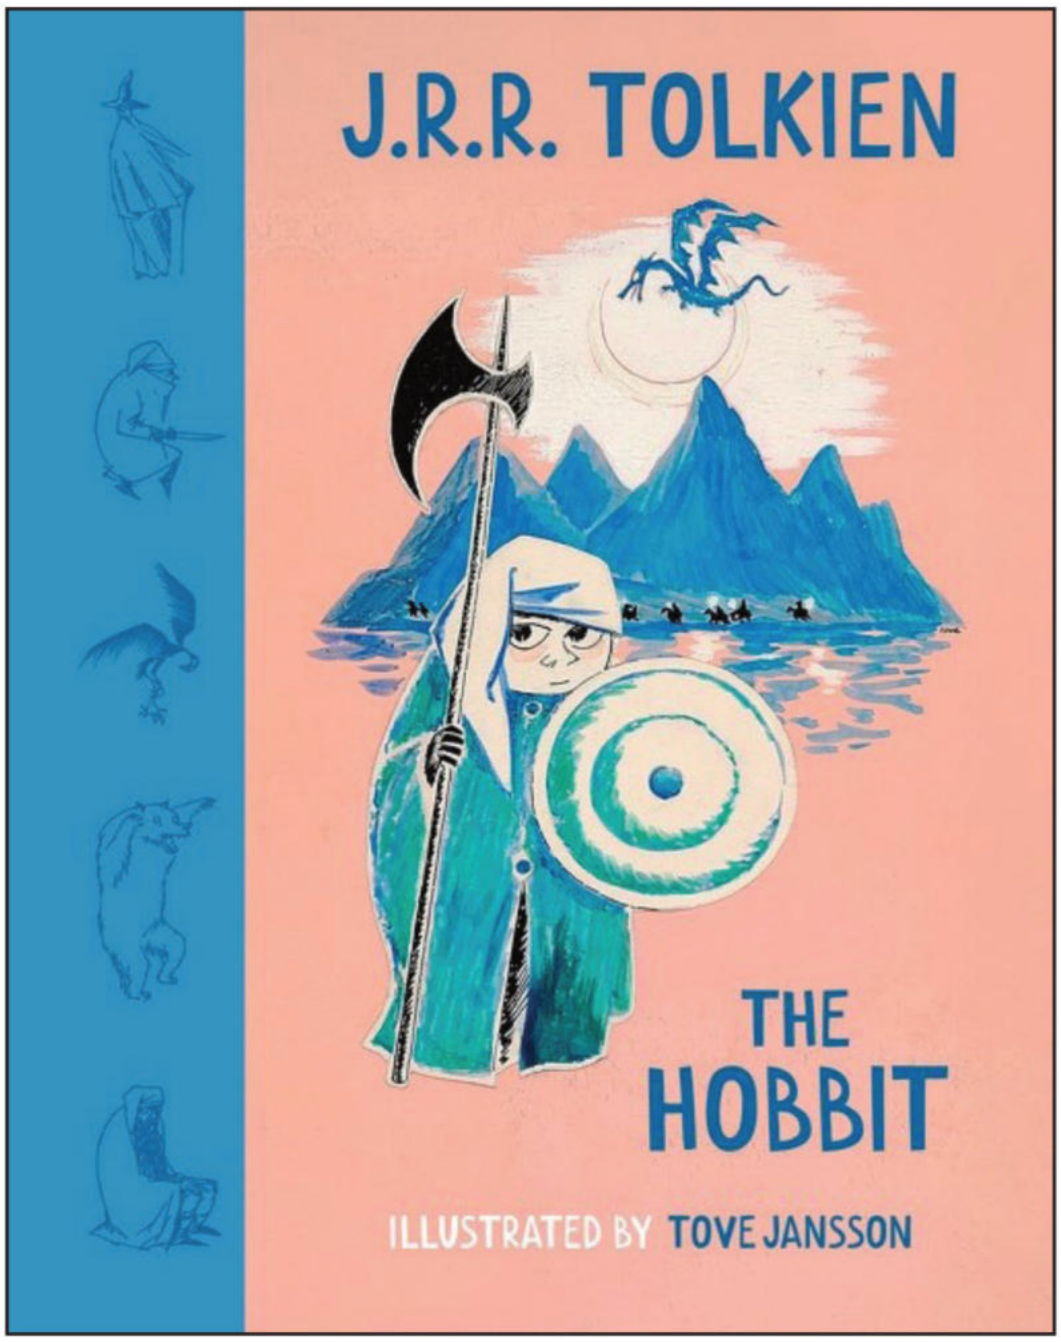

Written by **J. R. R. Tolkien** and Illustrated by **Alan Lee**

J.R.R. Tolkien famously described the Second Age of Middle-earth as a "dark age, and not very much of its history is (or need be) told." And for many years readers would need to be content with the tantalizing glimpses of it found within the pages of *The Lord of the Rings* and its appendices, including the forging of the Rings of Power, the building of the Barad-dûr and the rise of Sauron.

It was not until Christopher Tolkien published *The Silmarillion* after his father's death that a fuller story could be told. Although much of the book's content concerned the First Age of Middle-earth, there were at its close two key works that revealed the tumultuous events concerning the rise and fall of the island of Númenor. Raised out of the Great Sea and gifted to the Men of Middle-earth as a reward for aiding the angelic Valar and the Elves in the defeat and capture of the Dark Lord Morgoth, the kingdom became a seat of influence and wealth; but as the Númenóreans' power increased, the seed of their downfall would inevitably be sown, culminating in the Last Alliance of Elves and Men.

Even greater insight into the Second Age would be revealed in subsequent publications, first in *Un-finished Tales of Númenor and Middle-earth,* then expanded upon in Christopher Tolkien's magiste-rial twelve-volume *The History of Middle-earth*, in which he presented and discussed a wealth of fur-ther tales written by his father, many in draft form.

Now, adhering to the timeline of "The Tale of Years" in the appendices to The Lord of the Rings, editor Brian Sibley has assembled into one com-prehensive volume a new chronicle of the Second Age of Middle-earth, told substantially in the words of J.R.R. Tolkien from the various published texts, with illustrations in watercolor and pencil by the doyen of Tolkien art, Alan Lee.

THE HOBBIT: ILLUSTRATED BY TOVE JANSSON

Written by **J.R.R. Tolkien**
Illustrated by **Tove Jansson**

Whisked away from his comfortable, unambitious life in his hobbit-hole in Bag End by Gandalf the wizard and a band of dwarves, Bilbo Baggins finds himself caught up in a plot to raid the treasure hoard of Smaug the Magnificent, a large and very dangerous dragon. Although quite reluctant to take part in this quest, Bilbo surprises even himself by his resourcefulness and his skill as a burglar!

This landmark new edition of *The Hobbit* presents J.R.R. Tolkien's full text with illustrations by Tove Jansson, creator of the Moomins, from a rare Swedish-language edition never before published in English.

Jansson's tender, whimsical drawings illuminate Bilbo's journey –from the comfort of Bag End to the riddled dark under the mountain– add-ing fresh enchantment and quiet humor to every page.

IMMORTAL GAMES BOOK TWO, PART TWO OF THE WANDERING INN SERIES

Written by **pirateaba**

In theory, Erin and Ryoka know that King Flos returning is bad. The problem is: what are they supposed to do about it? He is a figure of legend, and they've already encountered one of his mostly deadly vassals, Gazi. And while they didn't exactly defeat her, they did send her packing...and minus an eye. So maybe a concert at the Wandering Inn isn't out of the question?

But this is the Innverse, so there can never just be singing, dancing, burgers, and chess games. Because under the surface (and, to be clear, on the surface), darkness is growing. This is still a world of monsters, still a world of violence, and still a world of divided kingdoms and races.

The Wandering Inn may welcome in everyone from the undead to frosty fae, but the rest of the land can't forget old wars and old wounds...nor will it wait to take action. King Flos rides once more, the Free Antinium continue their secret machinations, and there's a new dungeon outside of Liscor...and what's inside might be even worse than Skinner. Worse, merchants keep stealing Erin's recipes, so how is she supposed to keep the Inn afloat?

SAPIENS: A GRAPHIC HISTORY, VOLUME 4

Creation and co-writing **Yuval Noah Harari**
Adaptation and co-writing **David Vandermeulen**
Adaptation and illustration **Daniel Casanave**

Until 1500 AD, Homo sapiens were mostly satis-fied with the medical, military, and economic powers they had achieved, preferring to spend their resources on preserving the existing social order, not breaking new ground. So, how did we go from medieval scrolls to modern computers? From the Santa Maria to the atomic bomb? From the earth's surface to the moon? Turns out the key to jump-starting the Scientific Revolution was one major discovery: ignorance. Admitting our ignorance led the pursuit of new knowledge, kicking off an endless cycle spurred by science, politics, and economics—a feedback loop that has brought us to the brink of a new sort of intelligence that might just supersede humanity as we know it.

Volume 4 maps onto Part 4 of the original *Sapiens* book, and examines how a shift toward sci-entific thinking transformed human history starting in the 16th century and continuing into the future. This is when science overtook religion and philosophy as the dominant way of understanding the world—fueling imperialism, the Industrial Revolution, and the unraveling of old social structures. This volume also looks ahead, asking how breakthroughs like artificial intelligence might transform human consciousness and the future of our species.

This final installment in the *Sapiens: A Graphic History* series delivers on the previous three installments, with an engaging, insightful, and colorful retelling of the story of humankind for curious minds of all ages. Once again, Yuval Noah Harari, David Vandermeulen, and Daniel Casanave present the complicated story of humankind with wit, empathy, and originality.

UGH!

CLANG!

...WHICH THEY MAKE INTO A BUNDLE AND THROW INTO THE BRANCHES OF A TALL TREE...

...UNTIL THERE IS NOTHING LEFT OF HIM BUT STRIPS OF MATERIAL...

LEAVING THE TIN MAN DENTED AND UNABLE TO MOVE, THE MONKEYS REJOIN THEIR COLLEAGUES, WHO ARE BUSY PULLING THE STRAW FROM THE SCARECROW...

STOP!

FOLLOWING THE WITCH'S INSTRUCTIONS, THE MONKEYS WRAP STOUT ROPES AROUND THE LION...

HELP!

THEN THEY ADVANCE ON DOROTHY...

WOOF! WOOF!

OH NO!

BUT AS THEY GET CLOSER...

I SENSE THE MAGIC PROTECTION OF THE WITCH OF THE NORTH!

WE CANNOT HARM THE GIRL!

WE'LL JUST HAVE TO TAKE HER BACK TO THE WITCH OF THE WEST!

AND SO, LEAVING THE TIN MAN AND THE SCARECROW TO THEIR FATES, THE WINGED BEASTS CARRY DOROTHY, TOTO AND THE LION BACK TO THE WITCH'S CASTLE...

WHEN THE MONKEYS ARRIVE WITH THEIR PRISONERS...

WHY HAVE YOU BROUGHT THE *GIRL*? I THOUGHT I TOLD YOU TO...

UM. I'M **PRETTY WELL**, THANK YOU. HOW ARE ***YOU?***

I'M **NOT FEELING WELL**. IT'S VERY **TEDIOUS** BEING **PERCHED** UP HERE **DAY** AND **NIGHT!**

DOROTHY GENTLY LIFTS THE SCARECROW OFF THE POLE...

AHH. THANK YOU **VERY MUCH.**

MY NAME'S **DOROTHY**. I'M OFF TO THE **EMERALD CITY** TO ASK THE **GREAT OZ** TO SEND ME TO **KANSAS.**

WHERE'S THE **EMERALD CITY?** AND **WHO'S OZ?**

DON'T YOU **KNOW?**

I DON'T **KNOW** ***ANYTHING***. I'M SO **STUFFED** WITH **STRAW**. I HAVE **NO BRAINS** AT ALL!

OH. I'M SO **SORRY!**

YOU SEE. I DON'T MIND THE ***REST*** OF ME BEING **STUFFED**. BECAUSE IT MEANS I CAN'T GET **HURT**...

...BUT I DON'T WANT PEOPLE TO **CALL** ME A **FOOL**...

...AND IF MY ***HEAD*** STAYS **STUFFED** WITH **STRAW** INSTEAD OF **BRAINS**. HOW AM I **EVER** GOING TO KNOW **ANYTHING?**

DO YOU THINK THAT IF I WENT TO THE **EMERALD CITY** WITH YOU, **OZ** WOULD **GIVE** ME SOME **BRAINS?**

I **DON'T** KNOW. BUT YOU MAY **COME** WITH **ME**, IF YOU LIKE.

THANK YOU!

GRRRR!

TOTO THINKS HE CAN SMELL RATS IN THE SCARECROW'S STRAW...

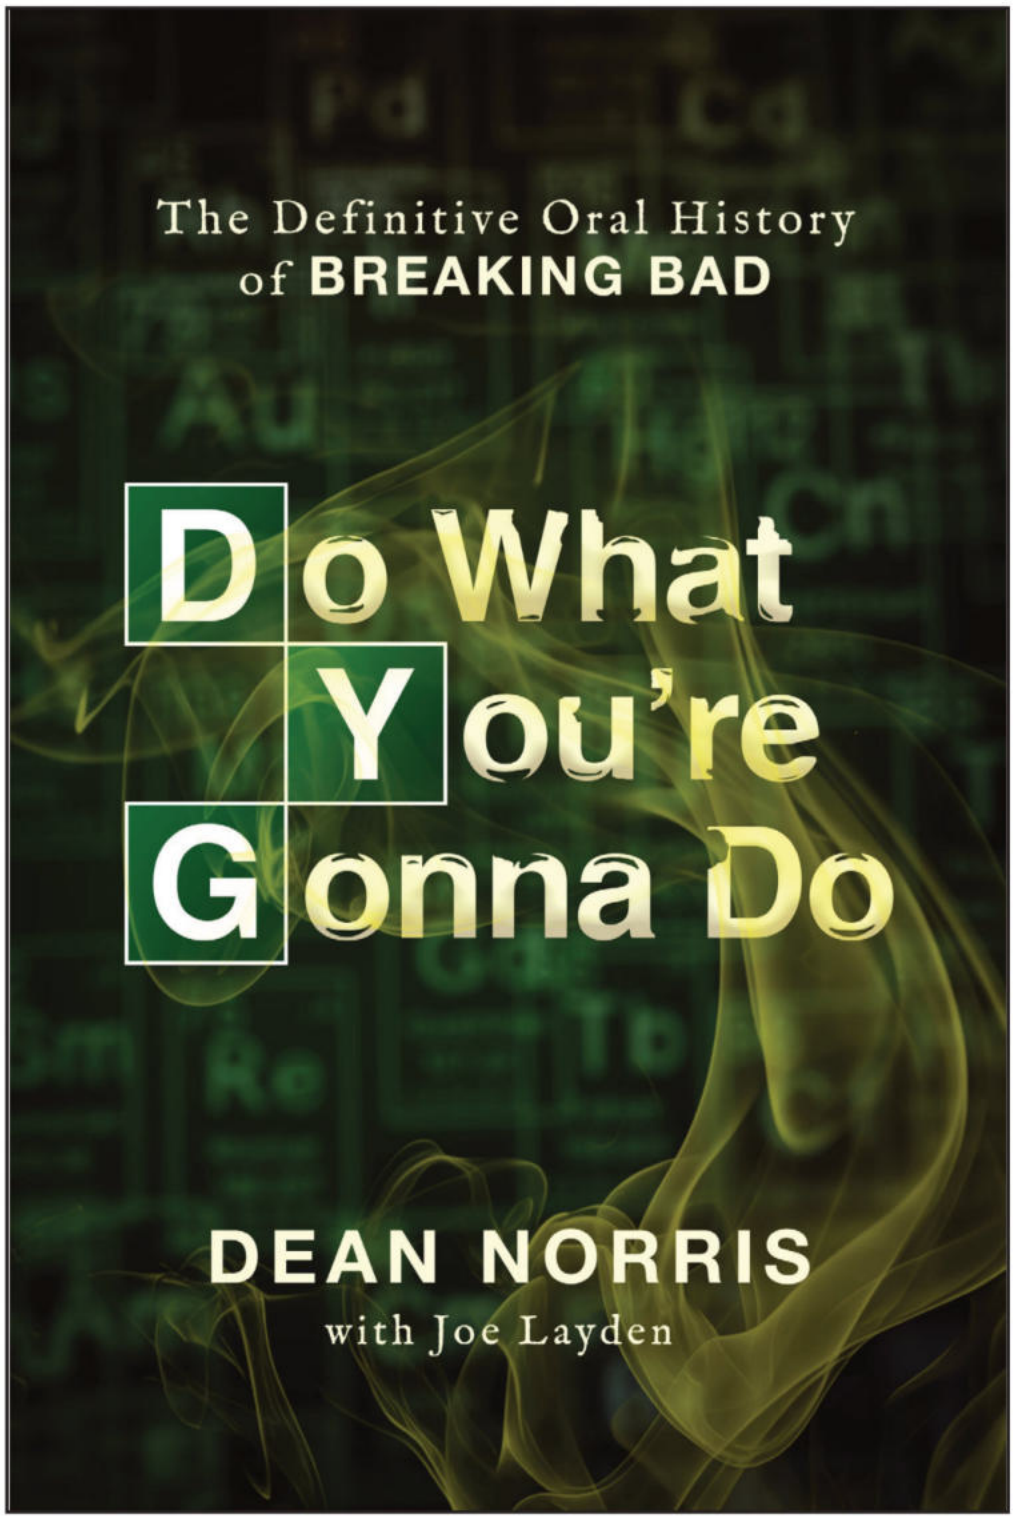

DON'T MIND **TOTO**. HE **NEVER** BITES.

DO WHAT YOU'RE GONNA DO

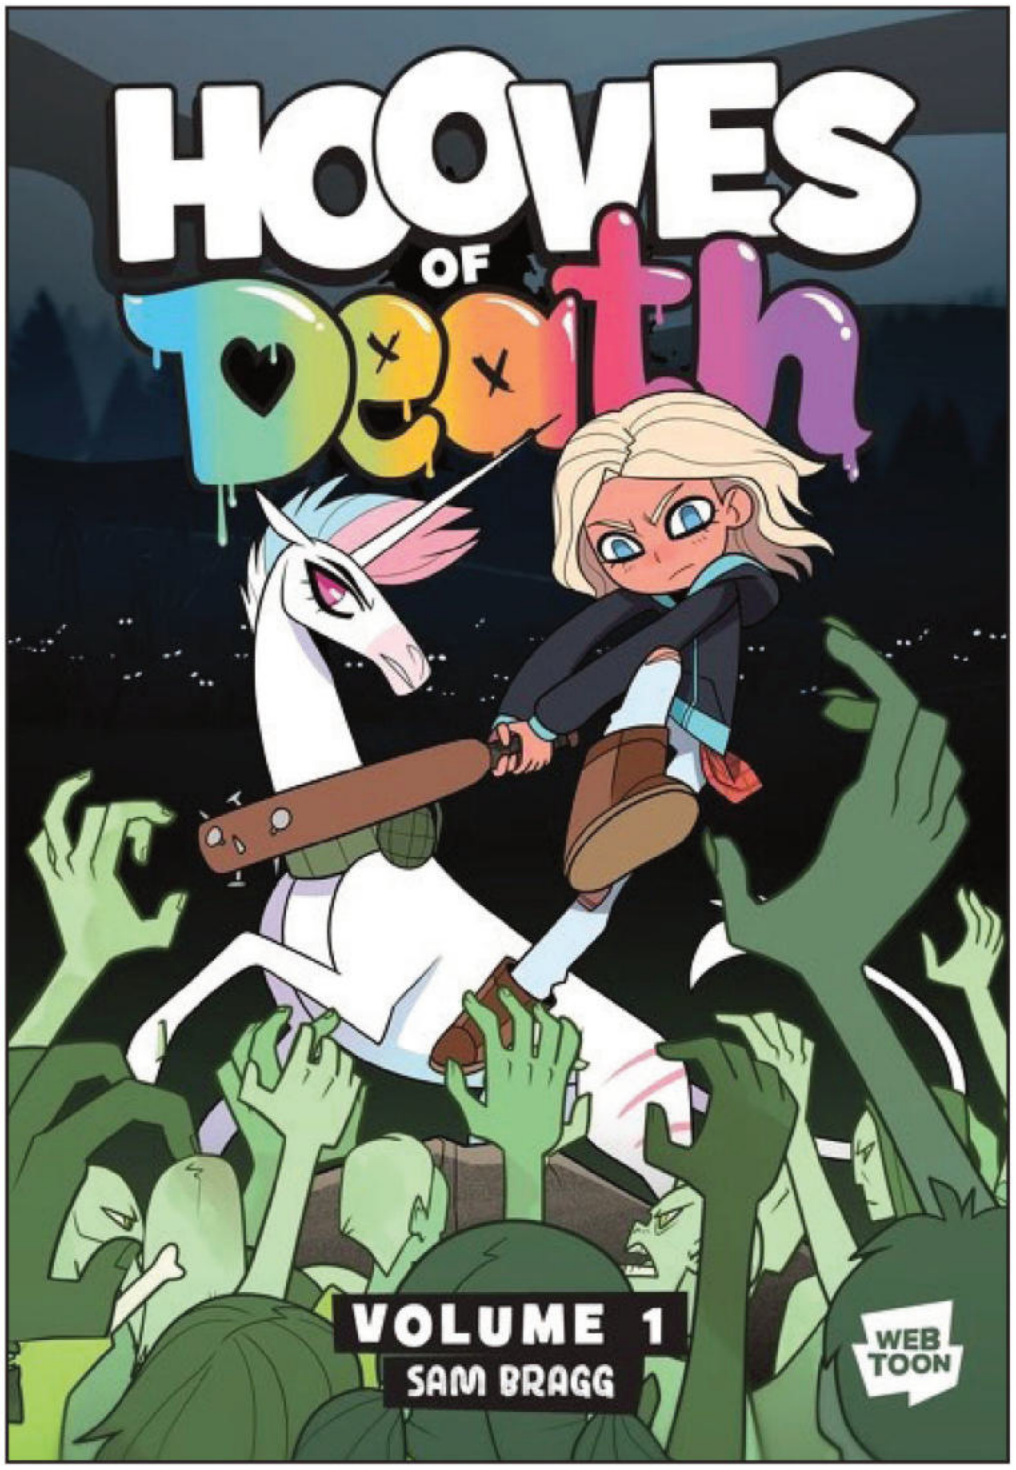

Written by **Dean Norris**
Illustrated by **Joe Layden**

The story of Walter White, a timid, cancer-strick-en chemistry teacher who becomes "the one who knocks" when he decides to cook meth to provide for his family captivated tens of millions of people, breaking viewership records and scoring numerous awards.

Now, in time for *Breaking Bad*'s twentieth anniversary, *Do What You're Gonna Do* is the definitive insider's look at what is widely regarded as one of the landmark dramas in television history. Part memoir and part oral history, Dean Norris—who portrayed one of the show's most popular and pivotal characters, DEA agent Hank Shrader—gives fans a backstage tour featuring interviews and insight from cast and crew, never-before-heard secrets, and intimate and hilarious stories from on-set.

Norris reveals what it was like to audition for and join an unknown show at a fledgling AMC; to work with costars Bryan Cranston, Aaron Paul, Anna Gunn, Bob Odenkirk, Giancarlo Esposito, and showrunners Peter Gould and Vince Gilligan; and to watch the series take on a life of its own in the cultural zeitgeist, as one of the most-bingeable shows in TV history.

Essential reading for any Breaking Bad fan, *Do What You're Gonna Do* captures the spirit, camaraderie, and yes, the chemistry that made it a hit with critics and fans alike.

HOOVES OF DEATH: VOLUME 1

Written and Illustrated by **Sam Bragg**

Humanity, on the brink of collapse after a devas-tating zombie outbreak, has retreated to its last refuge—a camp hidden within Yellowstone National Park. Supplies are scarce and hope is fading fast. That is, until an unexpected savior arrives: a herd of unicorns.

Though the situation has been stabilized, the war against the undead is far from over. Determined to prove herself, Sergeant Glitter volunteers for a mission to find food, but instead stumbles upon Kate, a lone survivor who may hold the secret to ending the conflict once and for all.

Along the way, Glitter and Kate will cross paths with a group of sirens and their cute boyfriends, a secretive cult, a hidden community of bigfoot, and a royal lineage of winged pegasi who may hold the key to their survival. As they navigate these strange alliances and treacherous foes, they begin to unravel a truth even more shocking than the undead.

Based on the beloved web comic from WEBTOON, *Hooves of Death* is in stunning print format for the first time and is sure to please fans new and old.

Ditko Shrugged: The Uncompromising Life of the Artist Behind Spider-Man and the Rise of Marvel Comics 49.99 0626HP8646

Steve Ditko was the last of a sturdy generation of American comic book artists who produced iconic, modern day mythology and was among the most influential and original creators of the 20th Century. A prime architect, together with Jack Kirby and Stan Lee, of a universe of heroic characters that took Marvel Comics from an underdog New York publisher in the 1960s to the world-recognized brand of comic book superheroes and multi-million-dollar movies of today, Ditko co-created Spider-Man but walked away from the character he designed over 50 years ago, to never again return to the enduring superhero and retreating completely from the public eye thereafter. Seeking his own individualistic paths for creative and personal expression would lead to condemnation from some, restricted work opportunities from others and a reclusive life peppered with memories of interfering editors; original artwork that had been stolen from him and a life-long adherence to his Objectivist convictions. With the book sourcing a decade-long correspondence between Steve Ditko and its author David Currie, the history of the formative years of American comic books and the rise of Marvel Comics is revealed, illuminated further by interviews with many other comic book creators from all periods. It's an intrigue-filled story of heroes and villains, both fictional and real; visionary artists on zero-hour contracts and one man's artistically productive and diligently uncompromising life.

Dear David,

the Pre-comic code period.

the evolution of comic books has quite a history.

the first comic books were just reprints of the daily, sunday comics.

I have a vague memory of some comic books from Canada.

A fan, from Denmark sent me a reprint of a Daredevil comic – Black and white with a 5 page story I did. the printing clear, paper okay.

So marvel material was reprinted, I don't know how early or where.

With marvels growing success, reprints potential had to increase.

I've seen Philiphine comics – well done and Australian comics. they seem to have done a lot of good original comic book material.

Oh, yes, the early 68/64 pages for ten cents, the comic with a wide variety of stories, characters and styles.

Yes, the 2 text pages were a post office requirement.

comic companies kept the comic book cost down by reducing page count – 68 – 56 – 48, etc.

The lower number of pages, the less creativity, exploring potentials, off beat ideas, etc.

With superheroes, U.S. comic fans didn't want the 5 pagers, ALL superhero.

So killing creative imagination, exploration,

Correspondence between the author and Ditko — many such examples in this book

SKY MASTERS OF THE SPACE FORCE

The Complete Dailies: Jack Kirby; Dick and Dave Wood; Wallace Wood; and Dick Ayers

Hermes Press

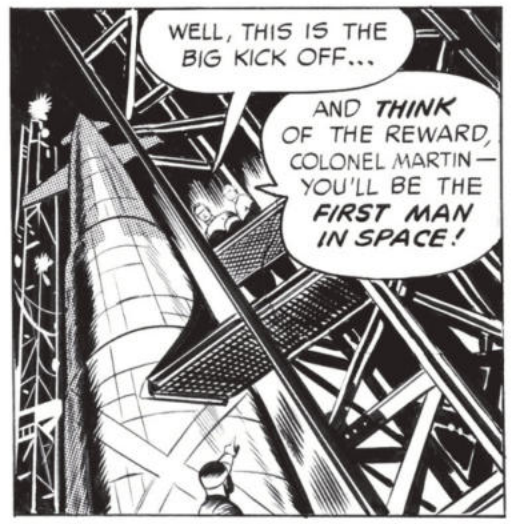

Sky Masters of the Space Force: The Complete Dailies SC 1958-1961 49.99 0626HP8647

Jack Kirby's comic strip masterpiece is presented in an archival version featuring the complete dailies from Sky Masters of the Space Force. Veteran scripters Dick and Dave Wood provided the scripts to these late-1950s space/action adventure stories. Jack Kirby's artwork is embellished by legendary artist Wallace Wood and later by Marvel inker extraordinaire Dick Ayers. Sky Masters was created at the beginning of the space race — when who would get into space and to the moon first —was a national obsession. The series in clearly anchored in the late 1950s/early1960s so it serves as a highly stylized period piece that still holds up very nicely. The material used in this archival edition ranges from original art, to press proofs, to tear sheets for the best possible reproduction of the strip. Limited warehouse find!

The MARK of ZORRO

Adapted from the novel by Johnston McCulley

IN OLD CALIFORNIA, THERE EXISTED A FORM OF GOVERNMENT CONTROLLED BY THE WEALTHY BUT INDIFFERENT LANDOWNERS. AT THE TIME OF OUR STORY, THE OFFICIALS THEY HAD APPOINTED HAD BECOME CORRUPT. TERROR AND INJUSTICE SWEPT THE LAND... ONLY ONE MAN DARED DEFY THE GOVERNMENT--THE DESPERADO AND HIGHWAYMAN-- **ZORRO!**

WE SEEK ZORRO, DON CARLOS... HE HIDES SOMEWHERE IN THIS AREA...

THERE IS NOTHING TO INTEREST THAT BANDIT IN MY POOR HOME... NO, WE HAVE NOT SEEN HIM, CAPTAIN RAMON.

SOLDIERS LEAVE TO CONTINUE THE SEARCH FOR ZORRO...

YOU MET HIM ONCE, AND DID NOT THE FELLOW MAKE A DONKEY OUT OF YOU?

I HAD A POOR BROKEN THUMB, CAPT. SOMEDAY, WE SHALL MEET WHEN HE HOLDS NO PISTOL.

MEANWHILE, AT THE HACIENDA OF DON CARLOS, THE WEALTHY AND INFLUENTIAL DON DIEGO PAYS A CALL.

AH, DON DIEGO! THE ALLIANCE BETWEEN OUR FAMILIES WOULD BE A PROUD ONE!

I HOPE THERE WILL BE NO ROMANTIC NONSENSE, DONA CATALINA

IT FATIGUES ME TO RIDE. SO, AFTER YOU THINK IT OVER AND CONSENT TO BE MY WIFE, SEÑORITA LOLITA, HAVE YOUR FAMILY SEND ME WORD.

INDEED! CAN YOU NOT TAKE THE TROUBLE TO RIDE FOUR MILES TO SEE ONE YOU WOULD WED?

SEND YOUR SERVANT TO WOO ME WITH PLAYING AND SINGING. I SHALL BATHE HIM IN BOILING WATER! HAVE YOU NO BLOOD IN YOUR VEINS? ADIOS, SEÑOR!

DOES SEÑOR DIEGO THINK I AM A COMMON THING WHO WILL RUN TO THE FIRST MAN WHO ASKS? I WOULD HAVE A CABALLERO, NOT AN OLD WOMAN!

YOU ARE . . . YOU ARE ZORRO!

YES, SEÑORITA, YOU ARE RIGHT. I AM ZORRO, KNOWN AS THE CURSE OF CAPISTRANO. DON'T BE AFRAID, YOUR BEAUTY WOULD WEAKEN THE STRONGEST OF MEN . . .

I WOULD THAT MY BEAUTY AFFECTED OTHER MEN SO.

IS IT POSSIBLE THAT THE SEÑORITA LACKS SUITORS?

THERE ARE FEW BRAVE ENOUGH TO ALLY THEMSELVES WITH THE FAMILY OF PULIDO, SINCE IT IS OUT OF POLITICAL FAVOR. THERE IS ONE SUITOR, BUT HE IS VERY DULL.

A LAGGARD AT LOVE IN YOUR PRESENCE? WHAT AILS THIS FELLOW?

HE IS SO WEALTHY. HE THINKS NO ONE CAN REFUSE HIM. AH, SEÑOR ZORRO, YOU MUST GO. IF THEY SEE YOU, IT MEANS YOUR DEATH!

IF YOU DO NOT SAY I MAY COME AGAIN, I SHALL WAIT HERE FOR THE SOLDIERS. I UNDERSTAND THAT BIG, BRAVE SERGEANT GONZALES IS AFTER ME.

YOU HAVE MY PERMISSION, SEÑOR. BY THE SAINTS, GO!

THERE GOES A THIEF, PERHAPS, BUT A MAN. IF ONLY DON DIEGO HAD HALF AS MUCH DASH AND COURAGE.

LATER, AS THE FAMILY OF DON CARLOS GATHERS FOR THE EVENING MEAL-

GO, SEE WHO KNOCKS AT THE DOOR.

SI, SEÑOR.

OH, IT ISN'T POSSIBLE THAT HE WILL TELL OF OUR MEETING!

PARDON MY INTRUSION. I AM THE MAN KNOWN AS SEÑOR ZORRO. FEAR NOT, I WILL DO YOU NO INJURY.

STORY W. MAXWELL PRINCE
ARTIST/COVER MARTÍN MORAZZO & CHRIS O'HALLORAN

NOV 25	55 STANDARD-SIZE PLAYING CARDS	FC	M	$9.99
HORROR				

The sold out sequential sensation is back—with a new, silver age design!
ICE CREAM MAN is proud to present the second printing of its most formally innovative issue ever:

"The Mortal Coil Shuffle" is a one-of-a-kind **ICE CREAM MAN** story...told via a deck of 55 "playing" cards; when read in order, the cards create a comics experience unlike any other before. The first printing (with its fantasy-forward design) was gone faster than your cash at a casino. But now, due to popular demand, there's another chance to experience this stacked comic book EVENT...delivered via a beautiful, custom-designed deck of cards (featuring custom backs and a custom box, too!).

All art is by **ICE CREAM MAN** stalwarts **MARTÍN MORAZZO, CHRIS O'HALLORAN,** and **GOOD OLD NEON**. Some cards tell part of the story; other cards cast inscrutable spells on its unwitting characters; some cards "play" and push the narrative in unexpected directions. Tarot cards, credit cards, flash cards...all 55 come together to tell a story ABOUT cards, THROUGH cards. It's a kind of close-up magic trick...that might leave you a little flush of heart.

So get ready (once again) to Go Fish, Draw Four, Declare War, and (probably) Fold Your Hand in this exciting new comics format—told, as ever, in the creepy, strange voice readers have come to expect from all things **ICE CREAM MAN.**

SUPERHEROES, SCIENCE FICTION				

COLLECTED IN ITS ENTIRETY FOR THE FIRST TIME EVER!

The beloved, surrealist sci-fi—**AUTOMATIC KAFKA**—by bestselling writer **JOE CASEY (TERMINAL, *Ben 10)*** and critically-acclaimed artist **ASHLEY WOOD *(Popbot, Les Mort 13, World War Robot)*** will be brought back to print for the first time in 20 years. This trade paperback will collect the complete story, feature new material, and find its new publishing home at Image Comics.

Automatic Kafka follows the titular washed-up android superhero—once a celebrated member of the now defunct super-team The $tranger$—spiraling through a hyper-violent, media-soaked America. Seeking relevance, Kafka finds himself a pawn in shadowy government schemes, cult celebrity culture, and weaponized nostalgia. His desperate quest for humanity drags him straight into the wormhole of mankind's darkest vices... and confronts him with a jaw-dropping existential truth.

AUTOMATIC KAFKA is a gritty, post-modern take on superheroes, but presented as a surreal, razor-sharp takedown of fame, power, and the machinery that manufactures both. ***The Boys*** and ***Doom Patrol*** meets ***Mr. Robot*** in this must-read cult-classic.

CHRISTOPHER SEBELA & TANGO REMAKE A CRIME FICTION LEGEND!

War hero. Star athlete. Brilliant scientist. Savvy private investigator. Rip Kirby's reputation is long-secured, and these days he's enjoying the post-war boom of New York City. With gorgeous and quick-witted Honey Dorian at his side and reformed criminal valet Desmond running the show, it's a perfect life, and perfectly balanced. It's been perfect for what seems like forever... But Rip's world is about to get complicated, and his unflappably decent ways newly tested. Up against a world that seems to be growing too fast, can an upstanding man of morals and fair play like Rip remain himself or, he will be swallowed up by the ugliness?

In 1946, co-creators Alex Raymond and Ward Greene introduced a new, sophisticated kind of detective, and left an indelible mark on newspaper strips and crime fiction. Now, two-time Eisner-nominated writer Christopher Sebela (*High Crimes, Dead Letters*) and rising star artist Tango (*Mighty Morphin Power Rangers, Archie Horror*) bring Rip Kirby to a contemporary audience with a mystery series as charming as it is thrilling.

LETTERER: **SCOTT CHANTLER**
COVER ARTIST: **SCOTT CHANTLER**

In a world where Flash Gordon never flew to space to stop him, Ming the Merciless rules over a conquered and devastated Earth. There, a nameless laborer looks to the sky and dreams of the hero he might have been.

On Mongo, the Emperor's tormented bride, Dale Arden, cannot shake the memory of a man she saw briefly on an airplane years ago, and thoughts of what might have been. Who was he? And why does it feel like they were meant to have met?

Acclaimed cartoonist Scott Chantler presents a two-part Flash Gordon epic that pays tribute to Alex Raymond's 1930s sci-fi/fantasy adventure classic, while also providing a thoughtful and thrilling reinvention.

Reality is breaking—and everyone's online.

Terrorbytes returns with a bold new arc of standalone, genre-spanning horror and science fiction stories exploring the darkest consequences of modern technology, unchecked power, and the stories we tell ourselves to survive the future. From immersive alien simulations that trap their users between life and death, to personalized digital realities that rewrite truth, memory, and morality, each issue delivers a complete nightmare with a sharp human core.

This arc pushes *Terrorbytes* further into high-concept, thought-provoking terror—where social media, AI, surveillance, and virtual worlds become tools of obsession, control, and existential dread. Every chapter is accessible on its own, yet together they form a chilling mosaic of a world sliding sideways into something unrecognizable.

Smart, unsettling, and visually ambitious, *Terrorbytes* is horror for the algorithm age—where the scariest monsters aren't hiding in the dark, but staring back at us from the screen.

One series. Infinite nightmares.

Meanwhile, Petra Herrera and El Alemán face execution at the hands of Huerta's forces and the relentless mechanical terror El Charro Negro. As loyalties are tested and the line between revolution and cosmic horror collapses, Villa makes one last desperate choice that will decide the fate of his friends—and the future of México itself.

DEATH SAVE

HARDCOVER	NOV. 4	$34.99	PAGES: 244	RATED T	COMING OF AGE

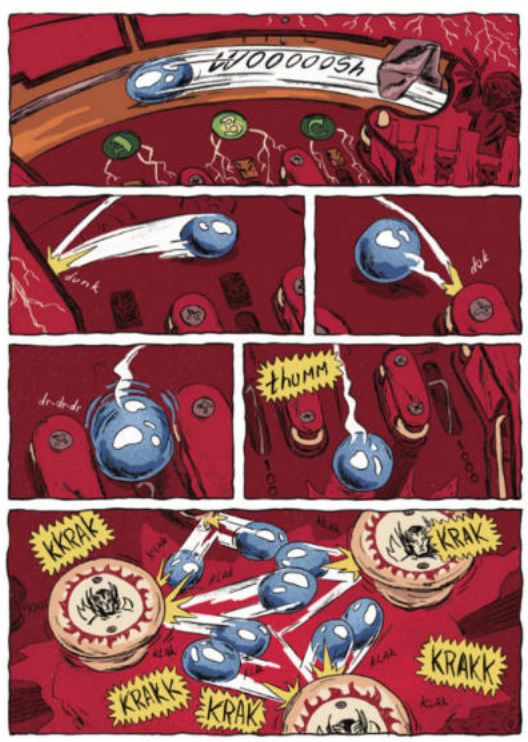

WRITER: RUNE RYBERG
ARTIST: RUNE RYBERG

Synopsis
It's the '90s in a nowhere suburb, and two teen misfits are wasting their days in a grungy pinball arcade. They're dodging adulthood with petty crimes, bad ideas, and a steady stream of arcade noise. But one of them is dragging the other down—and sooner or later, something's got to give.

Danish artist Rune Ryberg delivers a high-voltage coming-of-age story packed with raw energy, dark humor, and a hit of nostalgia for the golden age of pinball and video games. Death Save is a punchy, absurd, and surprisingly heartfelt ride through the chaos of growing up.

Higganum Mucket

AKA: The Higganum Monster, The Mucket

STATE
CONNECTICUT

TYPE: Local Myth

SUB CATEGORY: Water Creature

ORIGIN: Near the Higganum River

LOCATION: Candlewood Hill Brook, Higganum, CT

DANGER LEVEL

LOW | MID | HIGH | EXTREME

ABILITIES & ATTRIBUTES

- SUPER STRENGTH
- FIERCE BITE
- DAGGER TEETH

PHYSICAL APPEARANCE:

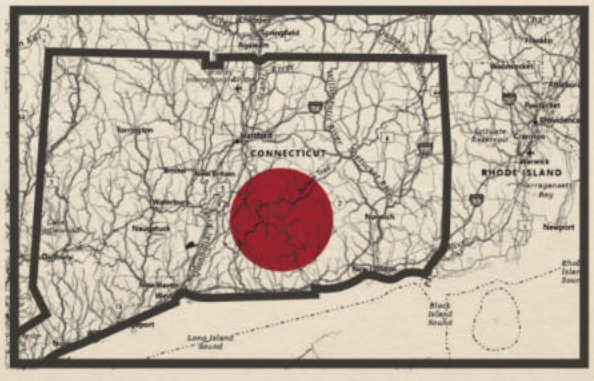

A quick glance gives the appearance of a catfish-like creature of 18 inches in length, but a closer look reveals a lizard-like head with a row of sharp teeth that are supposedly continually sharpened by a sandpaper tongue. Dimorphic, the male or bull Higganum Mucket has a helmet-like skull that sprouts thin, 1-inch horns with age

LEGEND:

The Mucket could very easily be dismissed as just another, albeit unclassified, aquatic resident of Candlewood Hill Brook. But the Mucket's strange appearance, its reported ability to leap over dams, and most especially sightings of the Mucket traversing dry ground in the manner of a lungfish, defy classification.

Even more strange, locals report unusual intelligence and even mischievous behavior from the Mucket, often leaving the safety of the water at night in search of food, though this usually leads them to knocking over garbage cans. Searching for the Mucket is a very safe endeavor, as long as you stay out of the water.

His home, once nearly consumed by flames, now feels eerily empty of electronics, and Riley finds himself hearing the unspoken thoughts of those around him. Desperate for help, Riley's parents present what seems like a perfect solution: Dupont's School for Gifted Children.

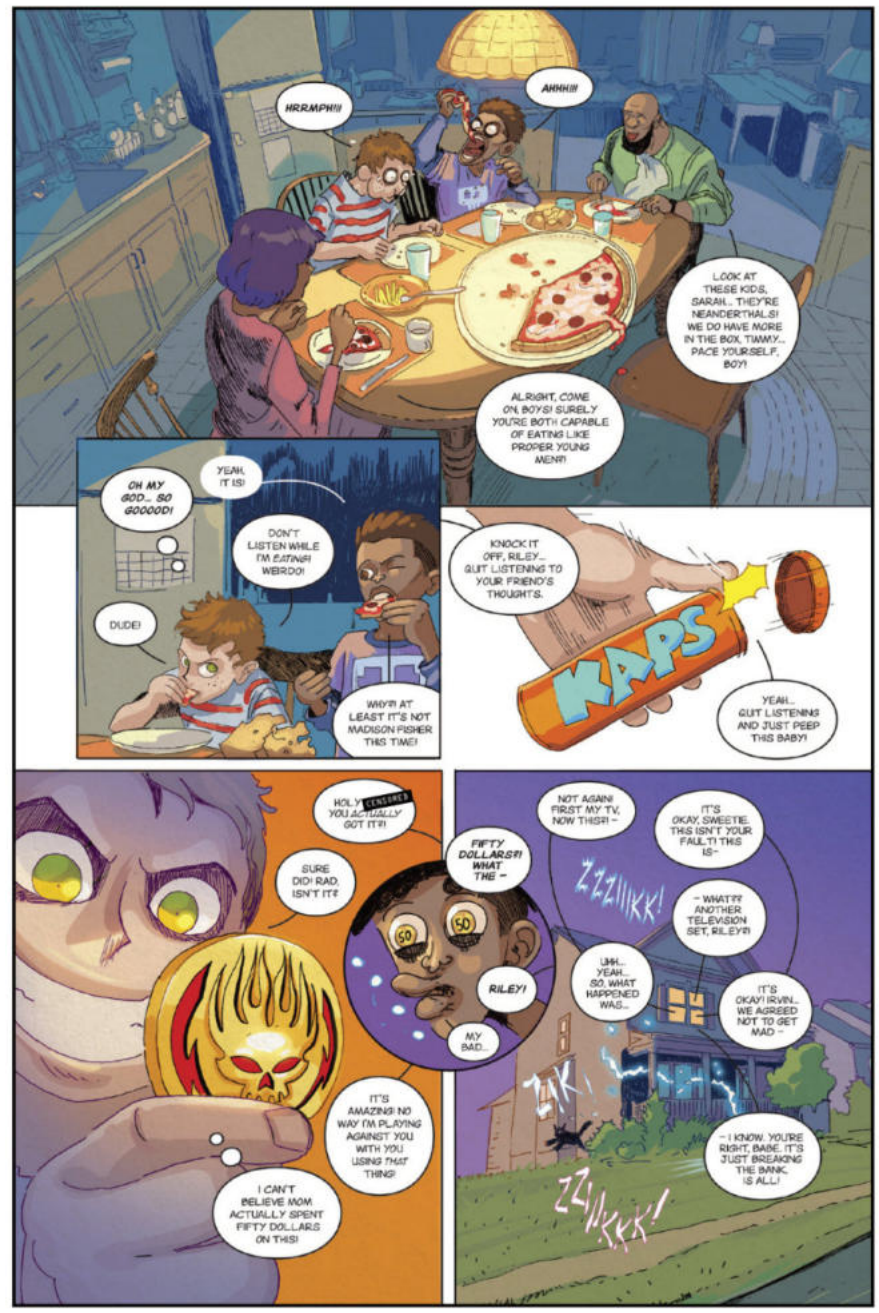

Riley soon discovers he's not alone in his extraordinary abilities. His new friends share their own bizarre experiences that led them to Dupont's, but all reveal the same chilling truth: their powers have vanished since receiving their collars. As lessons become increasingly harsh and the director resorts to physical punishment, Riley and his friends are pushed to their limits.

In a high-stakes battle for freedom, Riley and his friends must outwit their captors and reclaim their identities in this gripping tale of courage and resistance.

ABOUT THE AUTHOR

Jermaine McLaughlin is a London (UK)-born, Brooklyn-based writer, comic historian, and collector of entirely too many action figures. He's a twenty-year veteran of the comic book industry from his time at DC Comics, whose work has been featured on the sites Syfy Wire and The Beat. His work is also featured prominently in the Marvel Comics Library series from Taschen.

DC: SUPERMAN: THE OFFICIAL COOKBOOK

RECIPES FROM SMALLVILLE TO METROPOLIS AND BEYOND

Jermaine McLaughlin

Explore the many evolutions of the Man of Steel through official recipes that capture his life growing up on Kent Farms, as a reporter in Metropolis, with fellow superheroes at the Hall of Justice, and as one of the last surviving Kryptonians in the Fortress of Solitude.

Continuing a Kent Family tradition, Martha has put together an heirloom cookbook full of Clark's favorite dishes… with help from his friends and colleagues, of course.

Together, they've recreated the beef bourguignon and ketchup from Clark and Lois's first date, Cyborg's lucky game day potato skins, and J'onn's Chocos. Martha's even recreated Plurb, which she hears is wonderfully awful. She wasn't quite ready to taste that one herself.

From Jimmy Olsen's go-to food truck gyro wrap to Oliver Queen's spicy chili, not to mention Martha's own award-winning apple pie, these meals combine one-of-a-kind design with comfort-food flavors. So you'll feel at home, wherever you might hang your cape.

INSPIRED BY OFFICIAL COMIC BOOK CANON: This cookbook was made in partnership with DC Comics.

AN IMMERSIVE CULINARY ADVENTURE: Each chapter revisits iconic moments in Superman's life, sorted by the various places he's called "home": from...

SERVES 4
PREP TIME : 20 MIN
COOKING TIME : 11 MIN

DIFFICULTY

INGREDIENTS

4 Eggs
1 TBSP wine vinegar
8 organic tomatoes
2 green peppers
1 stalk celery
4 spring onions
4 baby artichoke hearts
12 fresh anchovy fillets
4 handfuls spring mix
100 g fava beans
Zest of 1 organic lemon
8 leaves of fresh basil

FOR THE VINAIGRETTE

3 TBSP olive oil
1 TBSP organic lemon juice
Salt and pepper

NICAE SALAD*

TOMATOES, BELL PEPPERS, EGGS, AND GRILLED ANCHOVY FILLETS

Some people say that a Nicae Salad should only have tomatoes, freshly caught anchovies, and olive oil. I've taken the liberty of adding other regional products such as fava beans, baby artichokes, and even Menton lemons. Here's how you eat this along the Promenade of the Bretons.

Start by cooking the eggs. Prepare an ice bath (container filled with ice water) and bring a large amount of water to a boil. Add the eggs and cook them for six minutes until the water returns to a boil. Remove them from the water with a slotted spoon and place them in the ice water right away, which will stop them from cooking.

Add 1 TBSP of wine vinegar to the ice water and peel the eggs after two minutes. The vinegar acts as an acid, helping dissolve the eggshells, which will let you peel the eggs easily. Set them aside.

Next, prepare the vegetables. Rinse and dry them. Cut the tomatoes into quarters. Place them on a small plate and sprinkle them with a pinch of salt to draw out the moisture and soften them.

Deseed the peppers and slice them thinly. Slice the celery stalk, spring onions, and baby artichoke hearts. Set aside the vegetables while the fish are cooking.

Drizzle olive oil into a frying pan and warm it on medium heat. When it's hot, place the anchovy fillets in the oil scale-side down and sear them for 1 minute on each side. Remove them from the pan.

Quickly make the vinaigrette by mixing all the ingredients together.

Presentation: Divide the spring mix, tomato wedges, peppers, celery, spring onions, and artichoke hearts into four bowls. Add the raw fava beans and seared anchovy fillets, too. Dust with lemon zest and place basil leaves on top of each bowl. Sprinkle with lemon vinaigrette and enjoy!

The Tres Leches Trials!

Clima frío means caliente competition at the Casagrandes'!

When the power goes out at the Mercado during a fierce blizzard, Carl comes up with a brilliant plan to keep the whole family warm: a competition for the last slice of tres leches cake! May the best sibling win!

Then, Ronnie Anne and Lincoln hit up la pulga—the flea market! They're on a treasure hunt for the perfect Muscle Fish artifact, but when someone else snags it first, the mission changes—to revenge!

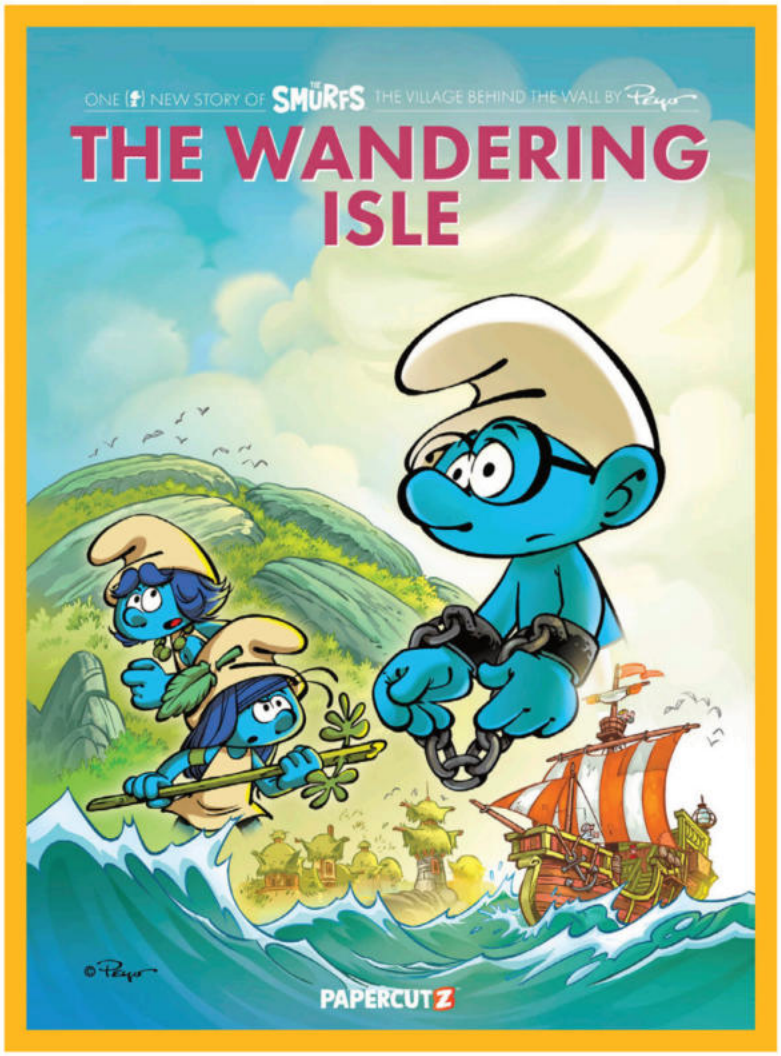

And when the whole family gets sick, it's no surprise that Abuela's got the cure. But her cold-vanquishing tea is a little too...fragrant...for everyone's tastes. If she's going to save them all from the worst sniffles, Abuela will have to go to war.

Banish the winter blues with the latest fun-filled anthology featuring stories by the talent behind the Emmy-nominated series THE LOUD HOUSE and THE CASAGRANDES!

A COSMIC HORROR 5 PART MINI-SERIES

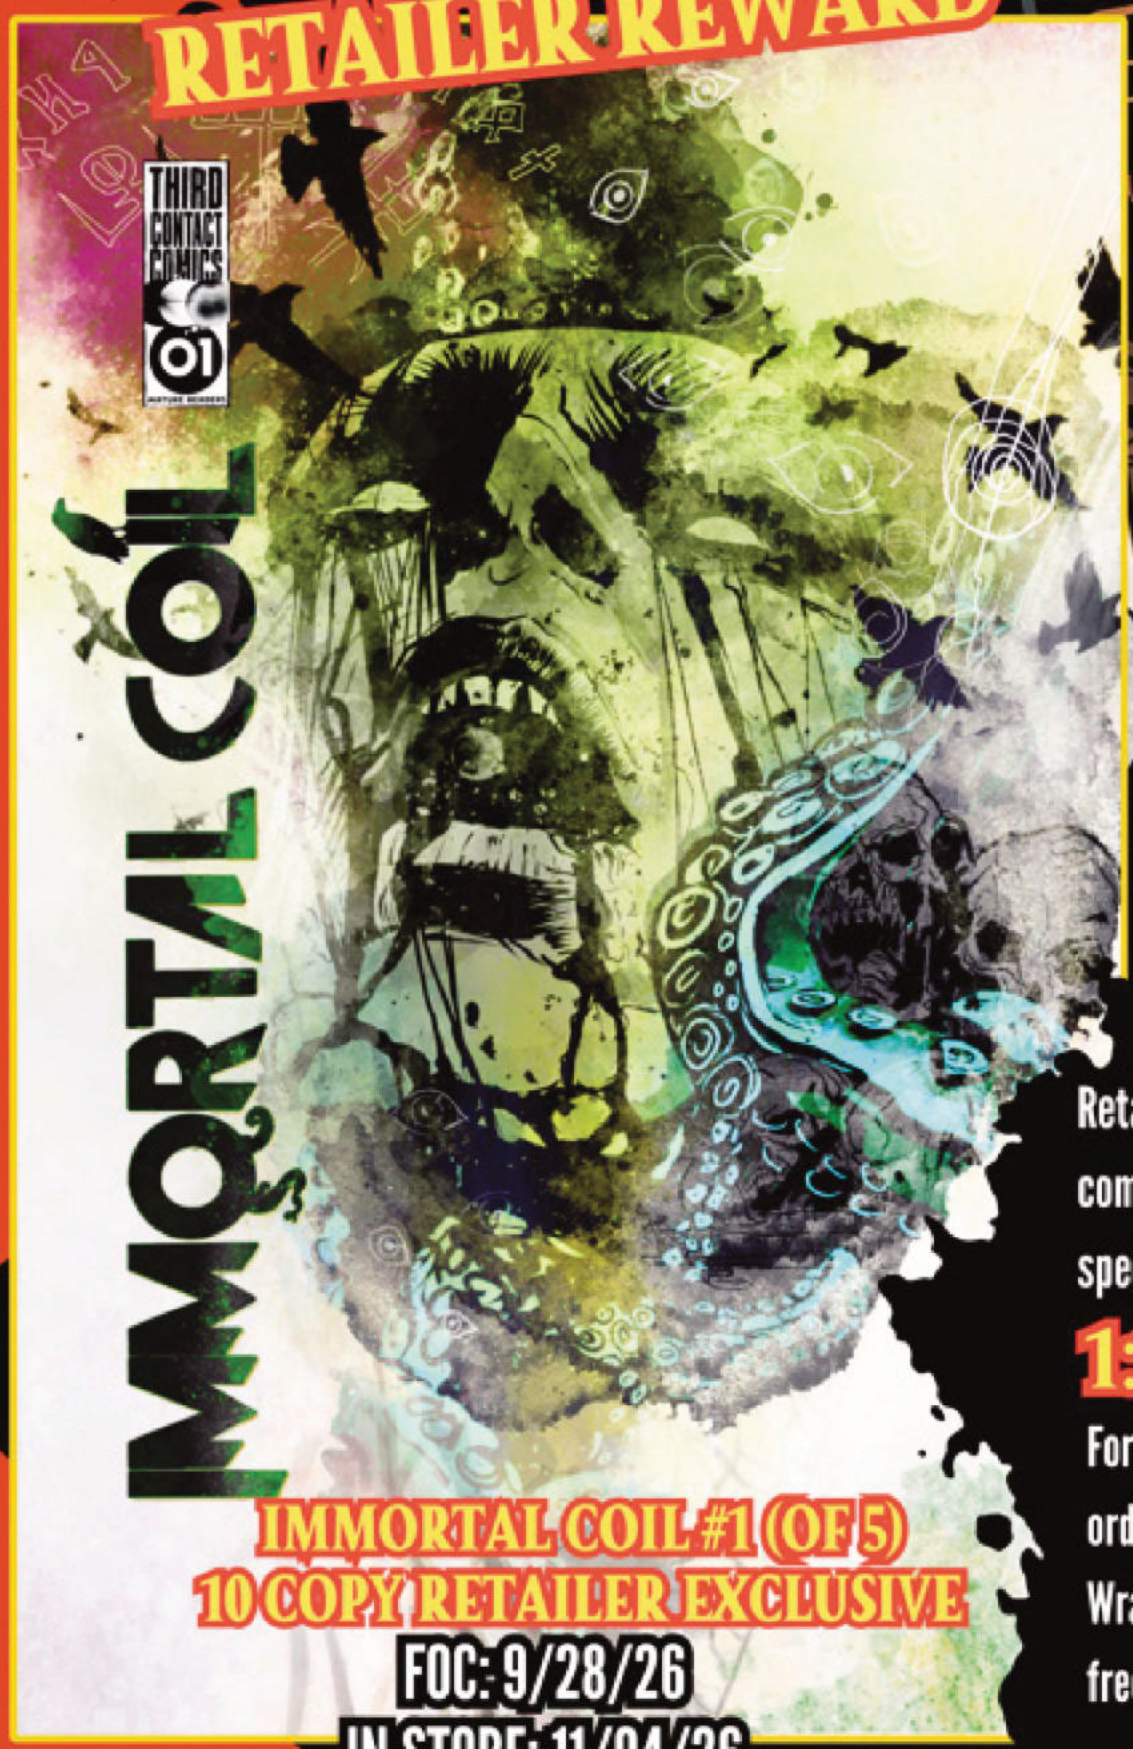

Immortal Coil is a dark fantasy comic series that reimagines Norse mythology through the lens of eldritch horror. In a modern world where Ragnarok was a lie, Loki returns to expose the gods' greatest deception and awaken an ancient cosmic terror that will bring about the second coming of Ragnarok. Ancient gods, forgotten heirs, and unimaginable cosmic forces collide in a battle for reality itself. Rich with gothic atmosphere, brutal action, and mythological intrigue, the series delivers a fresh take on the Norse apocalypse

Sandra Worth meets archaeologist Geoffrey Garth at a party. He noticed the ring Sandra was wearing and she explained that the ring had been handed down in her family for generations.
The ring is actually one of the mystical rings of Zubran from the Kingdom of Ormuz. The rings were said to be able to allow its possessor to view the past. They read an incantation. After which Sandra began to see the past life of Malu, Princess of Ormuz, and her protector Garth. Malu was kidnapped and sold into slavery, but 18 years later she is found by Garth. The duo set out to return Malu to her throne in Ormuz, but encounter many adventures and fall in love along the way.

The Perils of Nyoka [1942] serial starring Kay Aldridge as NYOKA the Jungle Girl was inspired by Edgar Rice Burroughs. She made her first comic book appearance in Jungle Girl November 1942, where we find her fighting a variety of criminals including gorillas with human brains and Vulture, the queen of a band of Arabian outlaws, whose bodygaurd is a giant gorilla named Satan. Subsequent appearances followed in Master Comics before she eventually got her own title in 1945 running 76 issues until 1953.

Tiger Girl, created by Robert Webb, was also known as Princess Vishnu. She was brought from India to Africa by her father Rajah Vishnu, after the death of her Irish mother. She was an excellent leader and pretty good in a fight, especially when she used her whip and her tiger ring, which gave her added strength when she looked at it and was accompanied by her companions: Benzali, a tiger, and Abdola, an Indian man. She protected her lost civilization from outsiders and others who meant harm.
House artists Joe Doolin and Maurice Whitman produced a number of memorable Tiger Girl covers starting with Fight Comics #49 replacing Señorita Rio and staying on the cover until her very last appearance in Fight Comics #81.
She ultimately became one of Fiction House's longest-lived characters.

THE MOUNTAINOUS AND DESOLATE REGION IN WHICH THE CITY OF ZABRIZ WAS SITUATED LAY MORE THAN TWO THOUSAND LEAGUES FROM TRIGAN CITY, AND ON THE OTHER SIDE OF ELEKTON . . .

Break left and climb to twenty thousand . . .

THE PEOPLE OF ZABRIZ WERE SUBJECTS OF THE TRIGAN EMPIRE, AND WERE RULED BY A COLONIAL GOVERNOR APPOINTED BY TRIGO . . . HIS NAME WAS AVARAN.

Laudis has our pilots well trained . . . they would be a match for any on the planet Elekton . . .

Aye, sir, that they would . . .

THE COUNTRY WAS RICH IN METAL ORE, AND THE ZABRIZIANS WERE SKILLED MINERS.

BETWEEN THEM, GOVERNOR AVARAN AND HIS MILITARY COMMANDER, CAPTAIN LAUDIS, HAD CHANGED THE BACKWARD COUNTRY INTO A WELL ORGANISED COMMUNITY . . .

How went the training session today, Captain Laudis?

Well enough, Avaran . . I think we are ready to discuss our plans for the future.

THEY HAD TRAINED A WELL-EQUIPPED, BUT SMALL ARMY AND AIR FORCE . . .

I will summon the Zabrizian council to a meeting within the hour . . .

Excellent . . . I think that you have them well-trained, too, Avaran.

THE ARROGANT YOUNG TRIGAN OFFICER WAS REFERRING TO THE FACT THAT THE ZABRIZIANS HAD NO LIKING FOR THE EMPEROR TRIGO . . . THEY CONSIDERED HIM A COLONIALIST WHO HAD BEEN EXPLOITING THEM . . .

And so, Councillors, we think it is time to arrange for a change in the leadership of the Trigan Empire.

Yes, the time is well past. For years we have been selling our metal ore to our Trigan masters for a price well below its true worth.

Well, you know that I and Captain Laudis are Trigans, but our loyalties are to the people of Zabriz whom we have come to love and respect. The Emperor Trigo by his meanness is denying you the riches you deserve.

AVARAN'S WORDS SERVED TO FAN THE FLAMES OF HATRED ALREADY BURNING IN THE HEARTS OF THE ZABRIZIANS – EVEN THOUGH THOSE WORDS MIGHT HAVE BEEN LIES.

Your words are true, Avaran. We are little more than slaves.

Yes . . . down with our oppressors . . .

Tell us your plan.

FOR THE NEXT 30 MINUTES THE TWO TRIGANS OUTLINED THEIR PLANS – OR AT LEAST, AS MUCH OF THEM AS THEY WANTED THE OTHERS TO KNOW . . .

Remember, my friends, success depends on careful timing. With your help we cannot fail.

You have our full support, Captain.

LATER, WHEN THE TWO CONSPIRATORS WERE ALONE.

Brilliant, my friend! When Trigo receives that he cannot fail to respond.

And when he does, we shall have taken our first step to the throne of the Trigan Empire.

Illustrated by Gerry Wood

CONTINUED NEXT WEEK

AVARAN, AND CAPTAIN LAUDIS, PERSONALLY SUPERVISED THE SENDING OF THE MESSAGE TO EMPEROR TRIGO.

Trigan City is two hours behind us, so Trigo should receive our note early in the day.

TRIGO WAS ATTENDING THE EARLY MORNING SESSION OF HIS ELECTED COUNCIL WHEN THE MESSAGE FROM ZABRIZ REACHED HIM.

Ah, here is something that will relieve the tedium . . . it is from our Colonial Governor in Zabriz . . . he sends his most loyal greetings and begs us to make a state visit to the country.

Zabriz? It is a truly remote part of the empire, brother.

That may be so, Brag. All the more reason why it should receive a visit from the Emperor. The Zabrizians are loyal subjects, and it pleases me that they wish to see their Head of State. In any case, it is high time the Lady Ursa and I made a royal tour of the empire . . .

Beside, Brag here is more than able to run our capital city until I return. What say you, Peric?

I support the visit, my lord, but you must take a security guard and have them under the orders of your nephew, Janno.

AND SO, PREPARATIONS FOR THE ROYAL VISIT WENT AHEAD, AND A DAY OR SO LATER . . .

Take good care of him, Janno . . . and of our Empress.

Fear not, old friend. Where we are going we shall be welcome.

BUT IT WAS NOT TO BE THE KIND OF WELCOME THAT EITHER JANNO OR TRIGO EXPECTED.

They will be on the ground in a few minutes . . . now, Zelda, you know what you have to do.

Of course . . . if there is trouble the Lokan woman will be no match for me.

THE WOMAN, ZELDA, WAS THE WIFE OF AVARAN AND HERSELF A WOMAN OF ZABRIZ.

By the stars, Ursa, the Zabrizians have given us a truly royal reception.

Hail to the Emperor Trigo, and his lovely Empress.

Welcome to the loyal colony of Zabriz.

THE FORMAL SPEECHES OF WELCOME OVER, TRIGO WAS INVITED TO INSPECT THE GUARD OF HONOUR . . .

I must compliment you on a well disciplined force, Captain Laudis.

Thank you, Emperor . . . I have trained them like Trigans.

WHILE HE WAS DOING SO, ZELDA INVITED URSA TO ENTER THE CEREMONIAL HOVER CAR . . .

Let us go on ahead, my lady. Your husband will join you later. We women have no part in military parades.

We are your guests . . . and in your hands.

AND THEN, UNKNOWN TO TRIGO, THE SPEEDING VEHICLE LEFT THE AIRPORT . . .

And now, Trigo, we can relax at the Governor's Palace, where the women will be waiting.

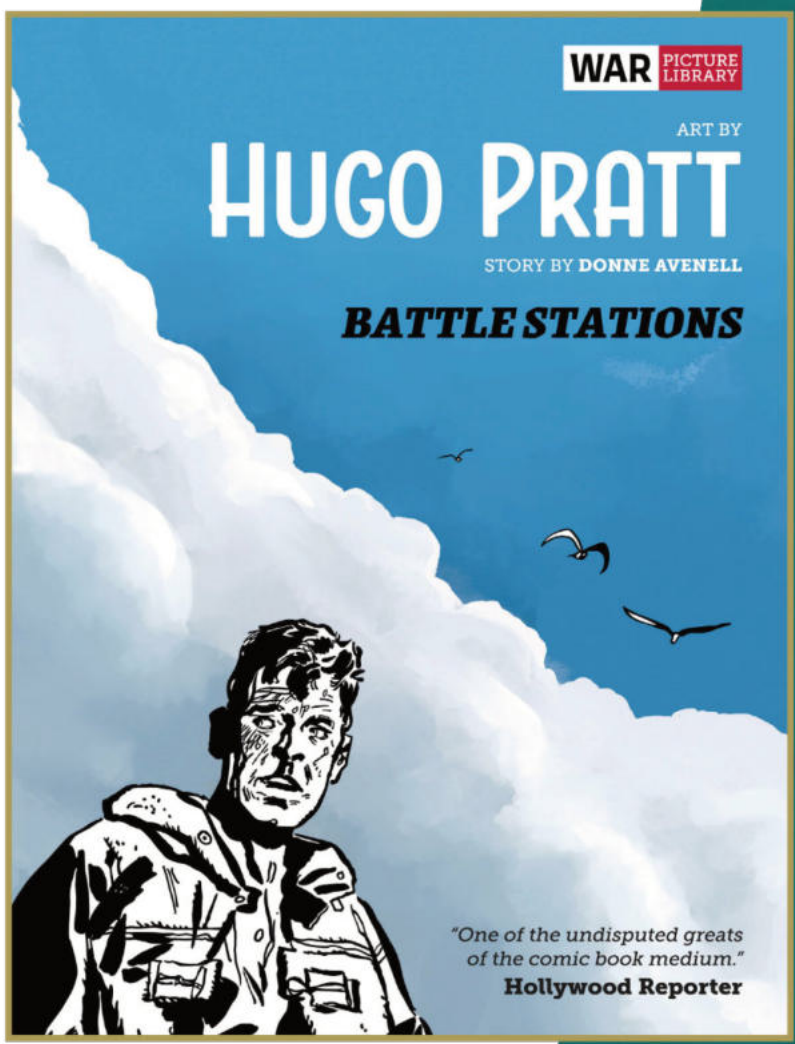

BUT, AS IT NEARED THE ENTRANCE TO THE MOUNTAINSIDE CITY . . . URSA HAD A SUDDEN PREMONITION OF DANGER . . .

Where are we going? Why are we not entering the city through the main gate?

Do not worry, Empress. We have prepared special quarters for you!

Curated by Eisner-nominated historian and artist David Roach, and featuring an eclectic mix of artists from Spain, Italy, and the UK, this collection unearths the sensual art and emotional writing which delighted generations of comics readers. Featuring over 50 comics stories – many of which have never been reprinted before – this lavish book is a stunning tribute to the often uncredited creators who crafted an industry of love. Roach shines a spotlight on the Spanish and Italian artists who dominated romance, as well as the genre's forgotten female contributors.

VOLUME 1

Chuck inherits a castle! It's old and it's spooky and it needs a serious amount of restoration, but - wow! A castle! Chuck's not really sure who left him a castle in their will (it's a mystery, even to the lawyers), but he's eager to start living life as the Lord of a Castle. EXCEPT — he finds out he's NOT the only one to inherit this castle. There's also... a pig named Garry! It turns out the original owner (a pig named Preston Peatherpopple) LOVED watching pigs and birds fight. He used to sit atop his castle with a telescope, watching the "amusing antics" of the pigs fighting the birds, often betting on the outcomes with his friends. In honor of these "antics," he's willed his castle to BOTH a pig and a bird. Can Chuck (and his bird friends!) and Garry (and his pig friends!) learn to live and work with each other?

MUST-HAVE ITEMS THIS MONTH

Bryce Walker
Direct Market Coordinator

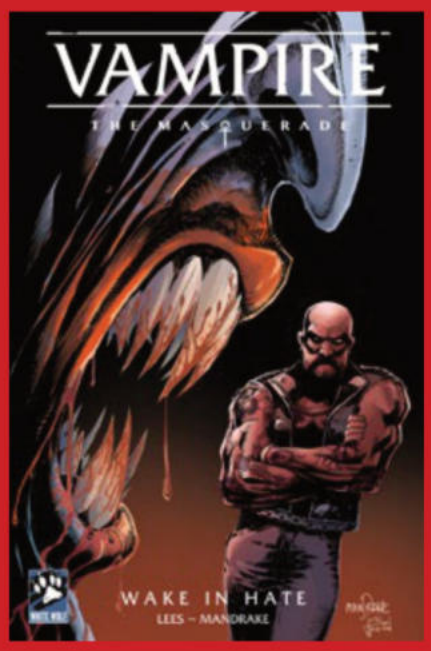

Hi All, Bryce here to talk about all our titles shipping in November. I'm very excited for the continuation of BLADE RUNNER: TOKYO NEXUS - in the third installment DIE WITH HONOR. Plus for any fans of RPGs or Videogames, we have an amazing new Comic set within the world of VAMPIRE: THE MASQUERADE, as WAKE IN HATE takes us to a city on the edge of a revolution and those who lurk beneath...

Great news for Conan fans as well, as CONAN THE BARBARIAN #37 brings us a brand new story arc that features a kidnapping, marriage and a bounty - not necessarily all in that order! There's also the continuations of the Mini Event, TIDES OF THE TYRANT-KING and the final issue of CONAN AND DRAGONERO.

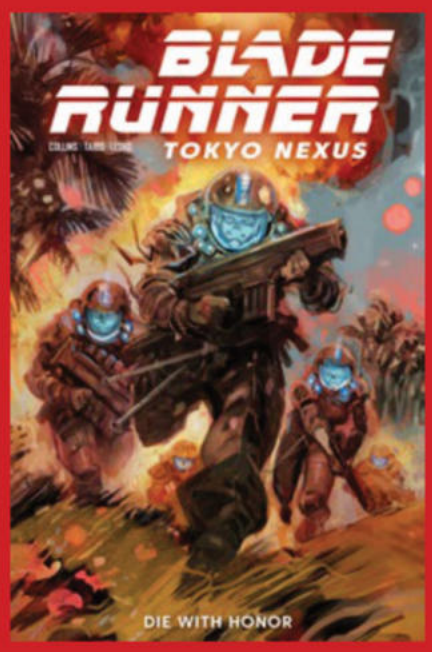

Finally - We've got some great Vol 1's of Manga - but you have to take a chance on Eisner-Nominated Chang Sheng's brand new BABY! It's absolutely gripping, presented in a gorgeous 7 x 10 format with 320 pages packed to the brim.

Titan are always keen to work on exclusive store covers, so please get in touch if you are interested. I can be contacted at: bryce.walker@titanemail.com

In the shadows of a city on fire, the bloody feed on every screen has spilled into the streets. Amidst the turmoil, whispers spread of bodies drained in the chaos, killings too precise to be human. CRYPTOLOGY #13

A bonus-size extravaganza of horror!

"13 is your lucky number, for I, the **Cryptologist**, am giving you a **bonus-size 100-page horrorfest**, lauding a true master of the macabre, **Boris Karloff**, along with his cohort, the **Frankenstein monster**. We begin with a look at Boris' later films, then plunge into some of the darker moments of his well-remembered **Thriller** series. Our two-part celebration of 1944's **House of Frankenstein**, the ultimate monsterfest of its day, herein reaches its climax. The origins of ol' Frankie are revealed, before looking at some of his most gruesome appearances in the cinema and beyond. There's a horribly fascinating interview with Marvel Comics' artist **Val Mayerik** (who depicted the creature in his 1970s solo comic book series), and a selection of those infamous model kits from the distant past. Fans of **Bernie Wrightson's** Frankenstein won't be disappointed—I have uncovered an entire treasure trove of his sumptuous artwork for your delectation, along with digging up the creature's pre-Code comics appearances. Fire, bad, but **Cryptology**, good! Don't miss this **oversized issue** of my horrible little magazine, the consummate read for **retro horror fans!**"

THE CRISIS COMPANION

From Flash of Two Worlds to Infinite Earths and beyond, by KEVIN MILLER

In 1985, **DC COMICS** launched the most ambitious crossover event in comics history: **CRISIS ON INFINITE EARTHS**. Four decades later, filmmaker and lifelong comic book fan **KEVIN MILLER** unpacks the tangled web of continuity, creators, and corporate pressures that gave rise to this multiverse-shattering epic. **THE CRISIS COMPANION** is both a personal love letter to the series and a deep dive into its history, from the classic 1961 Gardner Fox "Flash of Two Worlds" story that introduced the concept of multiple Earths, through the annual **JUSTICE LEAGUE/JUSTICE SOCIETY TEAM-UPS** that led to the complicated DC continuity that Crisis aimed to fix. This book features original interviews with **MARV WOLFMAN, PAUL LEVITZ, JERRY ORDWAY, BOB GREENBERGER, MIKE DECARLO, PETER SANDERSON, ROY THOMAS, CARY BATES, DAN JURGENS, MIKE GOLD,** and others who helped shape the series and the DC Universe itself. It explores how *Crisis* transformed our perception of comics continuity, redefined superhero storytelling, and introduced the multiverse concept to mainstream culture. This richly layered volume includes a full-color gallery, and a detailed, issue-by-issue commentary and examines the event's far-reaching consequences, from the rise of endless reboots to the dominance of event-driven publishing. Whether you're a casual fan or a full-fledged "Crisisologist," this is the definitive companion to one of the most influential comic book series ever published!

SON OF MONSTER MASH

The long-awaited sequel to MARK VOGER's sold-out mega-hit Monster Mash!

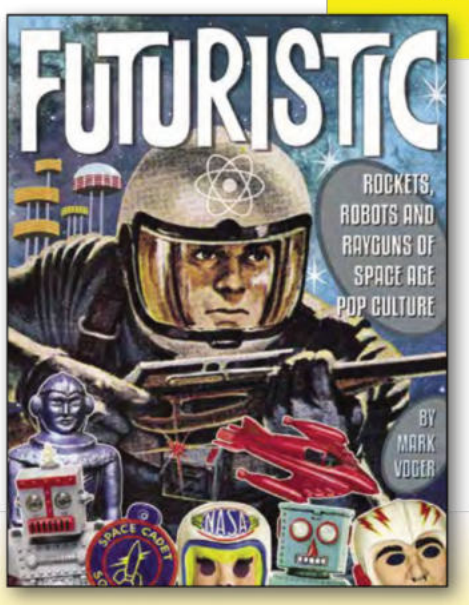

ALL NEW! ALL GRUE! It's the long-awaited sequel to author/designer **MARK VOGER**'s Rondo Award-winning book *Monster Mash: The Creepy, Kooky Monster Craze in America 1957-1972*, which redefined Monster Kid fandom with a visually immersive graphic approach. This companion book revisits the period, while examining the literary and cinematic roots of its fictional precedents (**MARY SHELLEY**'s Frankenstein, **BRAM STOKER**'s Dracula); early silent films (*Cabinet of Dr. Caligari, Nosferatu*); the golden age of monster movies (with such stars as **LON CHANEY SR., BELA LUGOSI, BORIS KARLOFF** and **CHANEY JR.**); the 3-D and teenage monster movie trends; the **EDGAR ALLAN POE** adaptations and **HAMMER STUDIOS** releases of the period; the monsters of **SIXTIES TV**; the eye-popping **TOYS**, **MEMORABILIA** and **COMICS**; and the aftermath of the influential Monster Craze. It features interviews with filmmakers such as **RAY HARRYHAUSEN** (20 Million Miles to Earth), **ROGER CORMAN** (The Pit and the Pendulum), and stars like **GLORIA STUART** (The Invisible Man), **RICOU BROWNING** (Creature From the Black Lagoon), **HARUO NAKAJIMA** (Godzilla), **JONATHAN HAZE** (Little Shop of Horrors), **HAZEL COURT** (Curse of Frankenstein), **KATHRYN LEIGH SCOTT** (House of Dark Shadows), **ROBERT QUARRY** (Count Yorga, Vampire) and many others. No monster fan should be without this treasure trove of terror!

AMERICAN COMIC BOOK CHRONICLES: 1940-44 (New Printing)

The **AMERICAN COMIC BOOK CHRONICLES** series of FULL-COLOR HARDCOVERS documents every decade of comic book history from the 1940s to today! This volume spotlights the "Golden Age" of the comic book industry, covering the earliest adventures of Batman, Captain Marvel, Superman, and Wonder Woman; and America's entry into World War II was presaged by the arrival of **WILL EISNER**'s Uncle Sam, **HARRY SHORTEN** and **IRV NOVICK**'s The Shield, and **JOE SIMON** and **JACK KIRBY**'s Captain America. It also saw the debut of a fumbling red-haired high school student named Archie Andrews, but most of all, 1940-44 was the age of the "packagers" when studios headed by men like **HARRY A CHESLER, WILL EISNER,** and **JERRY IGER** churned out material for new comic book companies that published genres from funny animal stories to crime tales to jungle sagas to science-fiction adventures. Taken together, the **AMERICAN COMIC BOOK CHRONICLES** series forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

Be careful who you hunt down—you might find them.
2064, Cape Town. Clouds roll down table mountain into the city bowl, letting the neon signs and burning lights take over for the evening. The Seawall keeps the tides at bay, the ramparts keep the townships out, but nothing keeps the bodies from dropping into the night. One cussing, cursed SAPS Detective, Gung “Gunnie” Yan Fung, is on the case. But this murder’s not like others. It seems toexpand everywhere, and even reaches into Gunnie’s own past. Getting to the bottom of this one is going to cost her. And Gunnie has nothing left to offer.
From the Cape of Good Hope to the streets of Hong Kong, comes Harpy, a moody, retro futuristic detective mystery. A tale of belonging, of purpose and above all, of consequences.

Bigfoot, the Jersey Devil, the Loch Ness Monster: all are age-old folklore fodder, but could they actually be real? In recent years, the myth of Man Goat and the Bunnyman has grown locally, and many have claimed sightings of the two unique creatures, yet no concrete evidence exists... and that's exactly how they want it. Dealing with the things nightmares are made of so we don't have to—deranged mutants, satanic cults, demons, summer vacationers—Man Goat and the Bunnyman protect us from the evils that hide in plain sight. But they don't want your adoration, they just want to be left alone.

Collects Man Goat & The Bunnyman issues #1-3.
